

The image features the Union Jack, the national flag of the United Kingdom, as a background. The flag consists of a white saltire (St. Andrew's Cross) on a blue field, with a red saltire (St. George's Cross) superimposed on it. The text "THE UNITED KINGDOM" is centered over the flag in a bold, black, sans-serif font.

Climate of the United Kingdom

The climate in the United Kingdom is defined as a temperate oceanic climate

Northern Ireland,

Wales and western parts of England and Scotland, being closest to the Atlantic Ocean

are generally the mildest, wettest

and windiest regions of the UK, and temperature ranges here are seldom extreme

Eastern areas are drier, cooler, less windy and also experience

the greatest daily

and seasonal temperature variations.
