

**Домашнее задание**

A top-down view of a wooden cutting board on a rustic wooden table. The board features several slices of cured meat, likely prosciutto, with a pinkish-red hue and white fat. Fresh green basil leaves and sprigs of flat-leaf parsley are scattered around the meat. Small white and black peppercorns are also visible on the board. A knife with a white handle and a dark blade is positioned horizontally across the bottom of the frame, partially overlapping the cutting board.
