Судьбоносная встреча

Love Story

I snuck out to the garden to see you
I kept quiet 'cause we're dead if they know
I close your eyes
Escape this town for a little while

Oh oh
'Cause you were Romeo, I was the mermaid
And my daddy said "stay away from boys
But you were my everything to me
I was begging you, please don't go
And I said

Romeo take me somewhere we can be alone
I'll be waiting, all there's left to do is run
You'll be the prince and I'll be the princess
It's a love story, baby, just say yes

We were both young when I first saw you
I closed my eyes and the flashback starts
I'm standing there
On a balcony in summer air

See the lights, see the party, the ball gowns
I see you make your way through the crowd
And say hello
Little did I know

That you were Romeo, you were throwing pebbles
And my daddy said "stay away from Juliet"
And I was crying on the staircase
Begging you, please don't go
And I said

Romeo take me somewhere we can be alone
I'll be waiting, all there's left to do is run

Romeo save me
I'll be waiting, all there's left to do is run

In the lights, in the party, the ball gowns
I see you make your way through the crowd
And say hello
Little did I know
That you were Roman, you were throwing petals
And my daddy said, "stay away from Juliet"
And I was crying on the staircase
Pleading you, please don't go
And I said
Roman take me somewhere we can be alone
I'll be waiting, all there's left to do is run

Roman take me somewhere we can be alone

Roman take me
I'll be waiting, all there's left to do is run
