

Alaska

◆ ***Alaska is
in the
northwest
corner of
the USA.***

Temperatures in Alaska in the summer vary from 16 C to 27 C.

*Early mornings and nighttime are
from 4 C to 10 C.*

◆ *Late
August
and
September
are cool.*

***Winnters are cold with
lots of snow.***

If you decide to visit “The Great Land”, make sure you pack the right clothes.

***Thank you for your
attention!!!***
