- Myth That Beer Drinking is Safe
- Alcoholic Stereotype
- Real facts
- Dangers of Beer Drinking

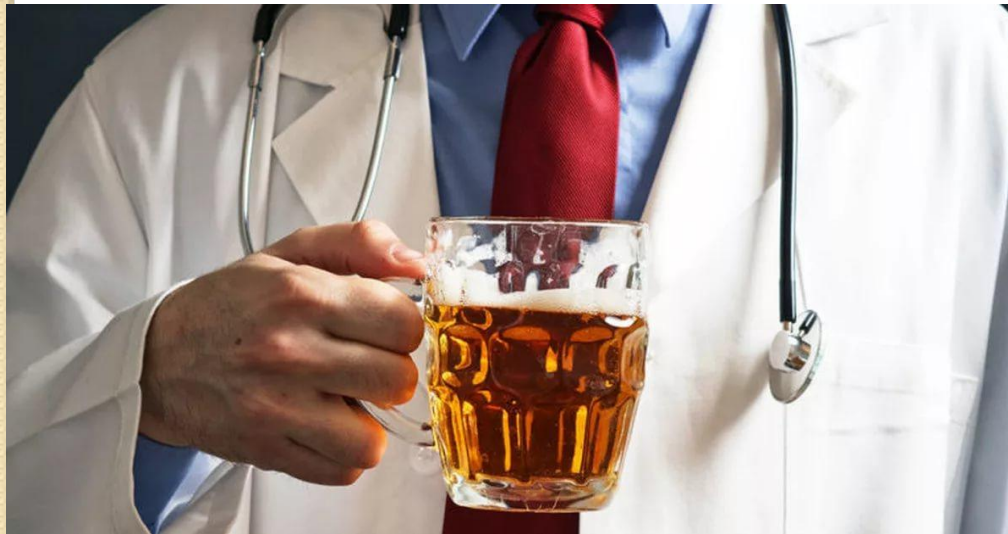

Historical information

- Humanity has faced beer addiction for a long time. Back in the 19th century in England tried to defeat alcoholism and began to drink beer as a substitute for alcoholic beverages.

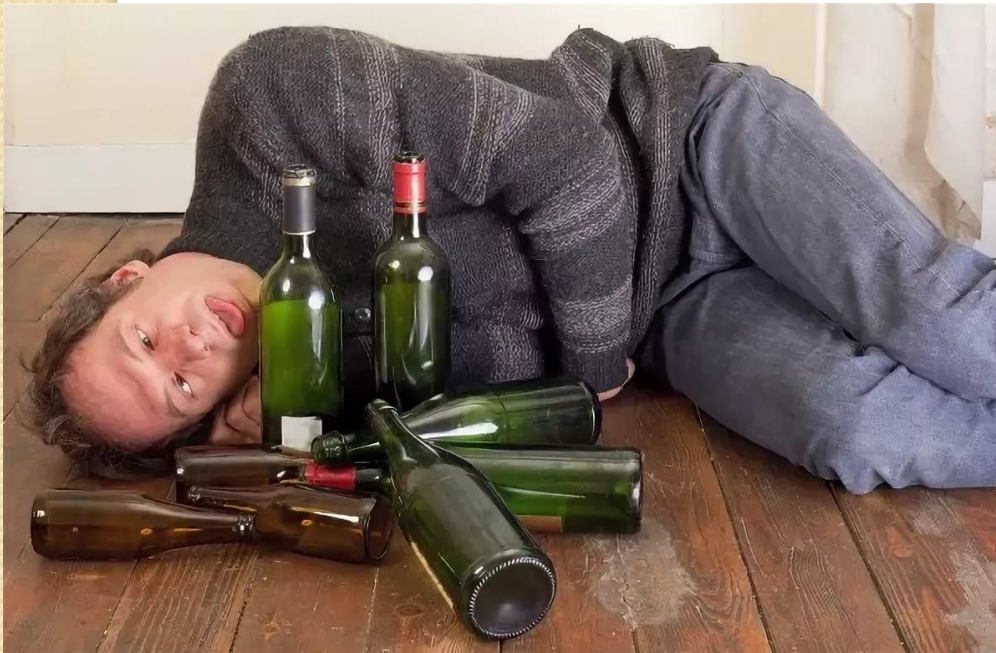

Myth That Beer Drinking is Safe

- There is a common misconception that people who drink beer are somehow less likely to become alcoholic than other types of drinkers

Alcoholic Stereotype

- One of the main reasons why people view beer drinking safe is that they are basing their opinion on stereotypes.

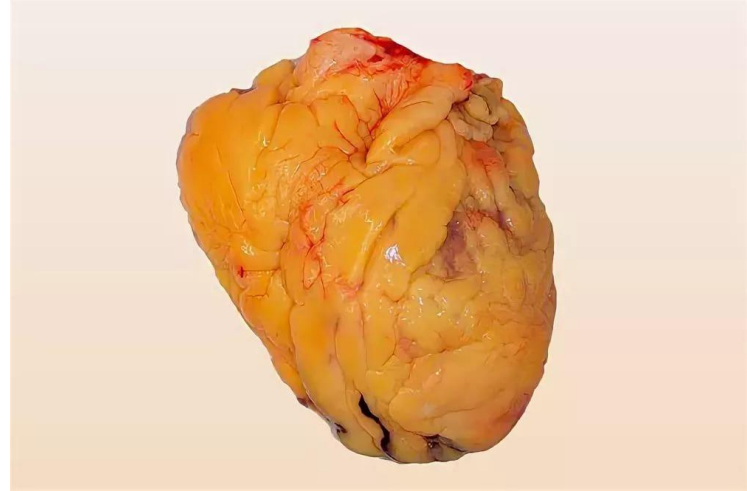

Real facts

- The truth is that many alcoholics are not much different from people without addiction

Dangers of Beer Drinking
