Introduction to this series

"Naruto" (Japanese. NARUTO -ナルト-) is a shōnen manga by Masashi Kishimoto, which tells about the life of a noisy and restless teenage ninja Naruto Uzumaki, who dreams of achieving universal recognition and becoming the Hokage - the head of his village and the strongest ninja.

Noticeable- | 'nəʊtɪsəb(ə)l | - заметный.

| 'kɒns(ə)ntreɪt | - Концентрат.

Naruto is a blonde-haired and blue-eyed teenage ninja, the son of the former head of the Konoha village. There is a spiral seal on Naruto's belly, which appears when chakra is concentrated. The Nine-Tailed Demon Fox is sealed in the seal. Very kind and quick-tempered.

Kakashi is shown as a middle-aged shinobi. He has ruffled ash-colored hair, from the right side of which you can see a clear parting, from which they look in different directions. When putting on the protector, his hairstyle rises noticeably higher, and his hair rushes to the left side. Kakashi's right eye has a dark tint, while his damaged left eye has been replaced by Sharingan Obito Uchiha. Also above the left eye is a scar.

Shikamaru Nara

By nature, Shikamaru is very lazy and not prone to hard work. As a student at the Academy and even during Genin's early career, Shikamaru prefers rest or play shoggy to missions.

And finally, Itachi

From a young age, Itachi was calm and insightful, showing noticeable maturity for his age and knowledge on how to deal with every situation. For all his accomplishments, talent, and fame, Itachi was a rather humble man. Never arrogant about his own abilities nor underestimating others, most things he said would be unbiased and accurate.

Overall, Naruto, both anime and manga, is one of the most amazing creations I've ever seen in my life. Everything is mixed in him, and it's all indivisible. "Naruto" is a real school of life, an ode to love and friendship, a whole universe in which you grow up, change, live, together with these Konokhovsky guys, with which there will certainly be something to remember. I advise everyone this series, in the future you will have warm memories of these cool moments of your life.

If I could participate in the life of the series, I would choose Naruto. Because it would be the best experience of my life.
