

Графическая работа «Виды, разрезы, аксонометрия»

Задание:

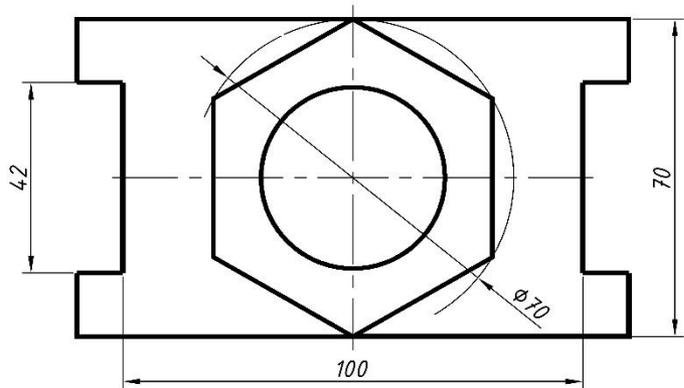

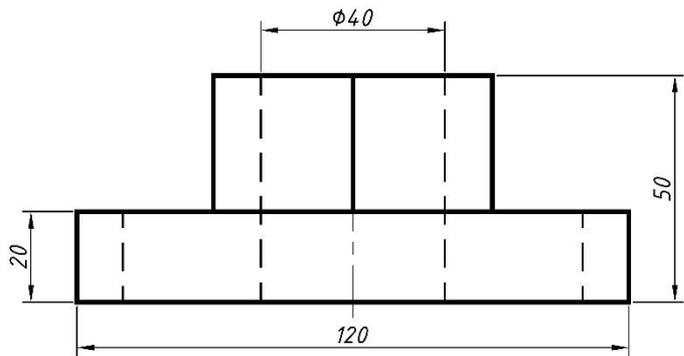

В соответствии с заданным вариантом:

1. Построить третий вид детали (вид слева) по двум заданным. Выполнить необходимые разрезы (фронтальный и профильный).

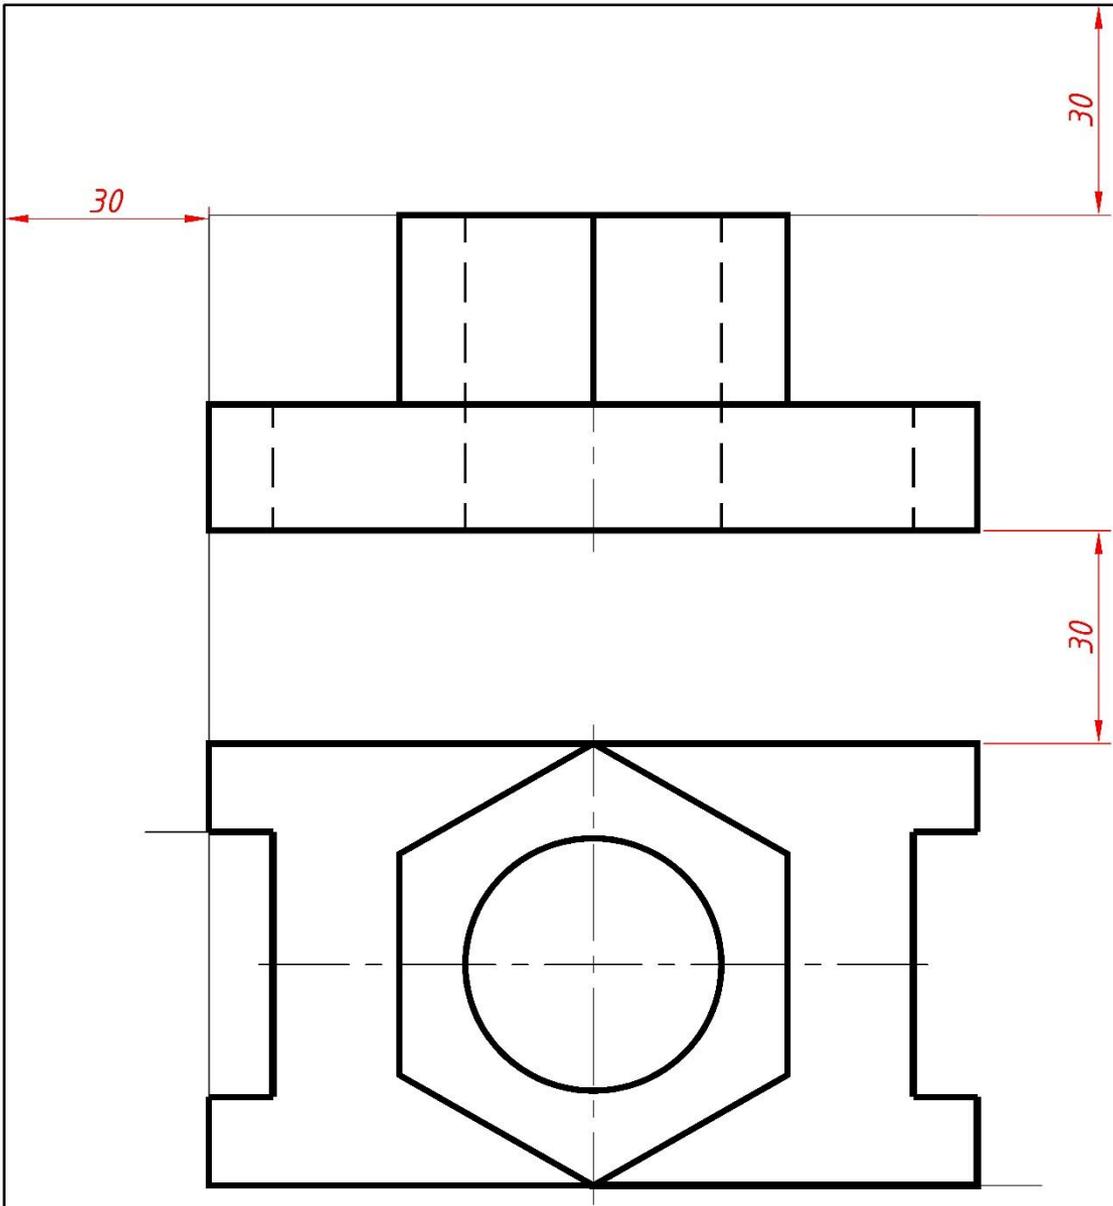

Проставить размеры.

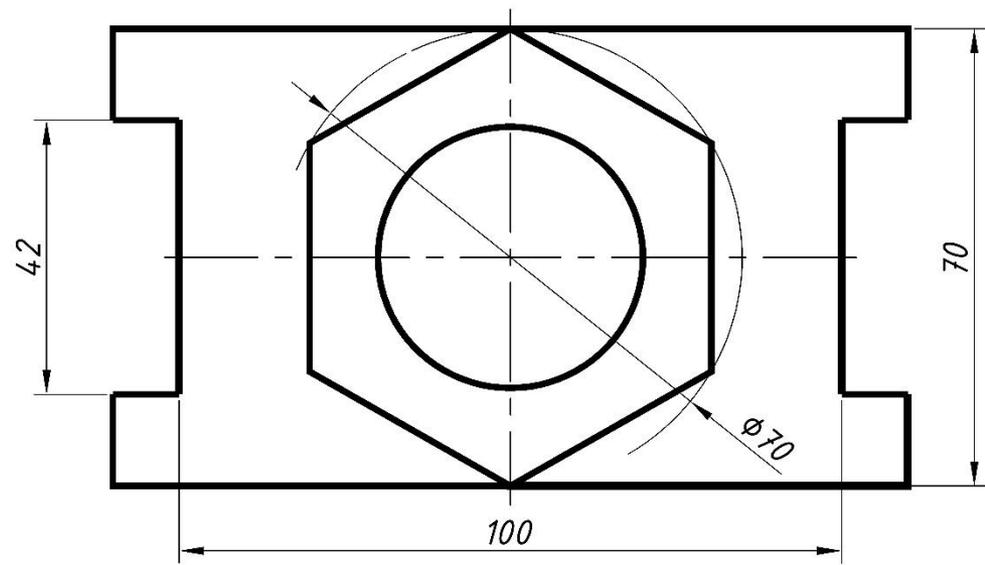

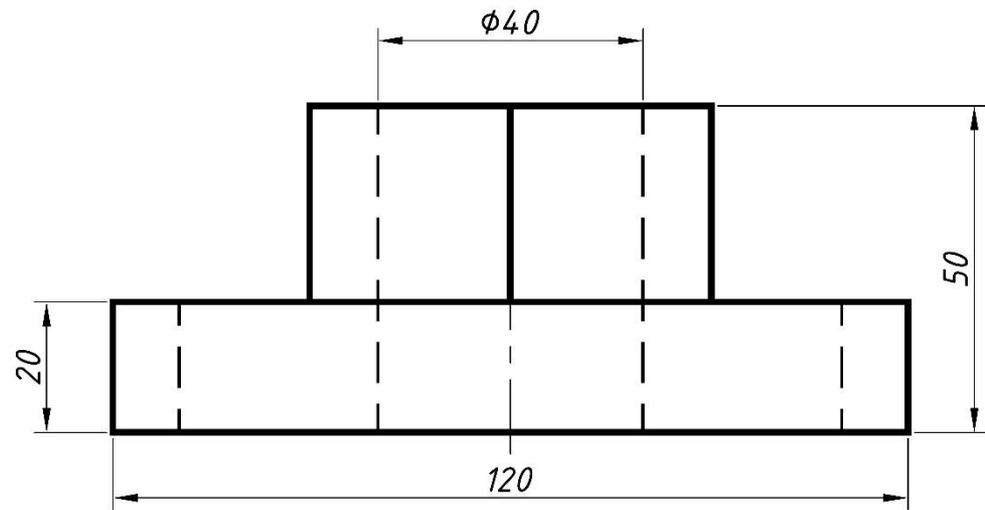

2. Выполнить стандартное аксонометрическое изображение детали.

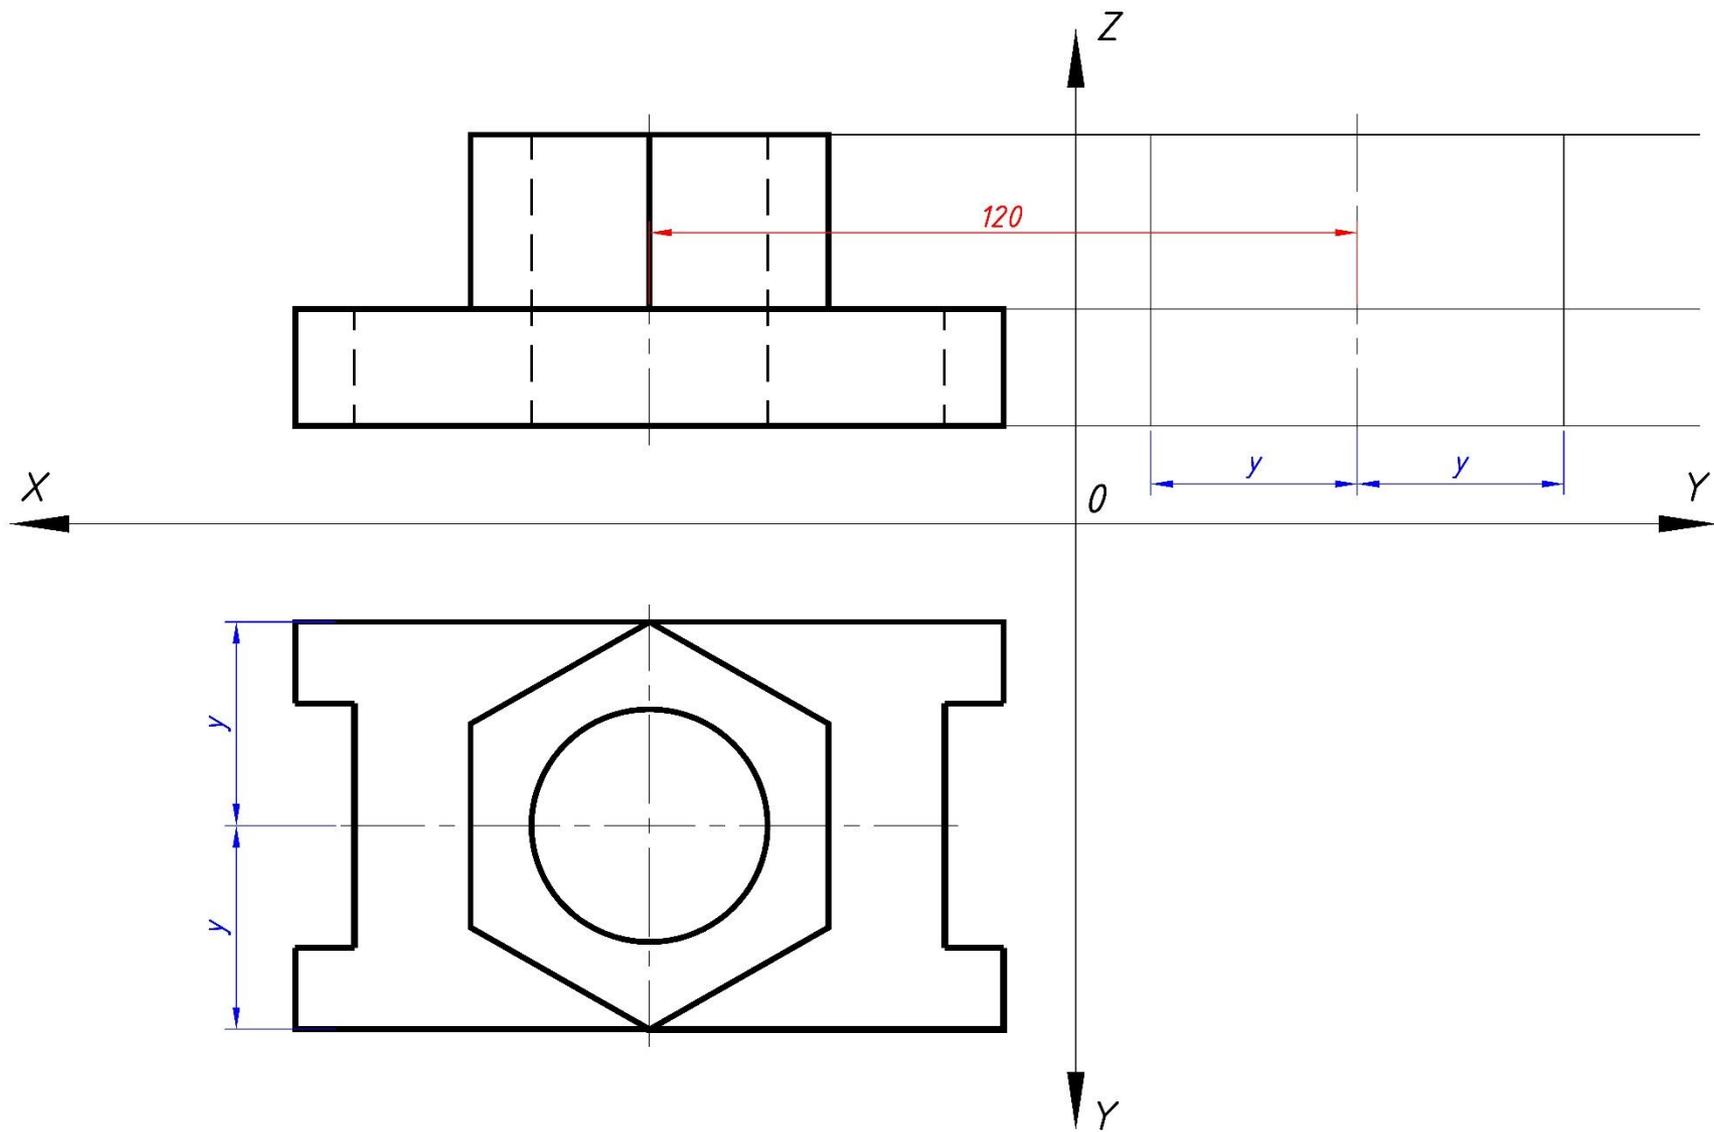

Примечание: Поэтапное решение задачи и образец оформления графической работы приведены в презентации.
