Government Early Years Education Funded
places for 2, 3 and 4 year's old

Offer spacious car parking that makes pick ups and drop off stress free

Outside access to our large forest garden

Offer holiday club in school holidays for children aged from 6 weeks to 11 Years

Bright Swans offers a range of sessions throughout the day catering to both your needs and your child's.

Bright Swans Day Nursery offers a private day nursery service for children who are 6 weeks old and above.

Babies

Our baby room is clean, cosy and comfortable.

Offering an enjoyable atmosphere to grow and develop their confidence, creativity and communication.

Our daily home diaries promote accurate communication, allowing you to know exactly what your child has been doing each day in your absence.

Our spacious and cosy Toddler room offers access to fun and stimulating activities throughout the whole day for ages 18 months - 2 1/2 years.

TODDLER S

Children have full access to the ajoined large garden area at all times to promote their physical development.

Rising Threes

Our dedicated rising three's room is situated within the pre-school floor, allowing for the occasional free-flow play with a range of children.

Children are moved up to the rising three's room around the term before their third birthday.

Within this room the numbers are much smaller allowing for accelerated learning before they enter our main pre-school.

Pre-school

Our pre-school floor is a large environment filled with encouragement and independent choices in preparation for their school years to come.

We offer the final foundations to build children's self-confidence, whilst still providing reassurance and continuous support.

OUTDOOR S

Our vast outdoor space encourages children to explore the natural environment freely.

Our garden houses a racing track, offering endless physical development and role play opportunities.

A large sand pit for digging, pouring and building.

A mud pit with a brand new mud kitchen for outdoor mud pie making.

Why we are right for you as parents?

Bright Swans Day Nursery work closely with their parents to build up a strong relationship to ensure we are providing the highest quality of care for your children.

Parent partnership is of the utmost importance to us, we have regular stay and plays, open days and are available for an informal chat on collection and drop off.

These include suggestions, compliments or information about each individual child, enjoyed by staff and parents alike.

Our parents have also begun to leave recommendations on www.daynurseries.co.uk, this provides us with an excellent outlet to receive feedback.

Registration:

At Bright Swans we offer an open door policy inviting you to come and look around at your leisure; no appointment necessary.

A member of staff will be happy to show you around the nursery and answer any questions you may have.

Bright Swans requires a £50 non-refundable registration fee, this then confirms your child's attendance and covers all settling sessions with us.

Settling in:

- The first time you send your child to nursery can be very daunting, our supportive team here at Bright Swans understand this and want to make the experience and transition from home to nursery
- We offer trails to suit the needs of your child, allowing staff to form bonds with children as they begin to settle into their new environment.

Holiday club:

Our exciting and affordable holiday club caters for children up to the age of eight years! Offering the same quality care you have come to expect from Bright Swans throughout the school holiday periods. We offer a range of sessions to suit your needs; give us a call or pop on in to discuss joining us for a day or two busting that boredom!

Menus:

Our home cooked meals are made on the premises and are in line with our healthy eating policy.

We have used the 'Eat better, Start better' guidelines to create delicious snacks, hot lunches and teas to be enjoyed throughout the day. A constant flow of water is available all day long and children are encouraged to help themselves and pour their own drinks, encouraging independence and physical development.
