Some Creators on Patreon are automatically paid by their patrons every month. Others are paid whenever they release something new. Which would you prefer?

Per Month

Per Creation

If you're not sure, we recommend starting with 'Per Month.' You can always change this setting later.

Many creators offer rewards to patrons. Here are our reward suggestions for Education.

You can always edit these, see more suggestions, or add more rewards later.

\$1 per month

You're officially a patron and will receive one very thankful virtual hug. Also, you'll have access to my patron-only feed for blog posts and picture updates along the way.

\$3 per month

You'll see my work before anyone else with early access to content, plus all previous rewards.

\$5 per month

You get the say! When I've got a question, you'll be one of the few that can answer through polls, plus all previous rewards.

I'll do this later

Add 3 Rewards and Continue
