These days people travel a lot. Many people like travelling. They want to see new places and to meet new people. They travel at home and abroad. They travel on business or for holidays. When people travel abroad, they usually visit interesting places: old towns, castles and museums. I want to visit Northern Ireland. It is a country with a very interesting history. It's capital is Belfast. I like travelling by train. I can take photos and show them to my friends. Travelling can be very pleasant.
