

Весна идёт.

# Что происходит весной?

A close-up photograph of a willow branch with several fluffy, light-colored catkins. The branch is positioned diagonally across the frame. The background is a clear, bright blue sky with a prominent sun flare in the lower-left quadrant, creating a lens flare effect. The text "Ярко светит солнышко." is overlaid at the bottom of the image.

**Ярко светит солнышко.**

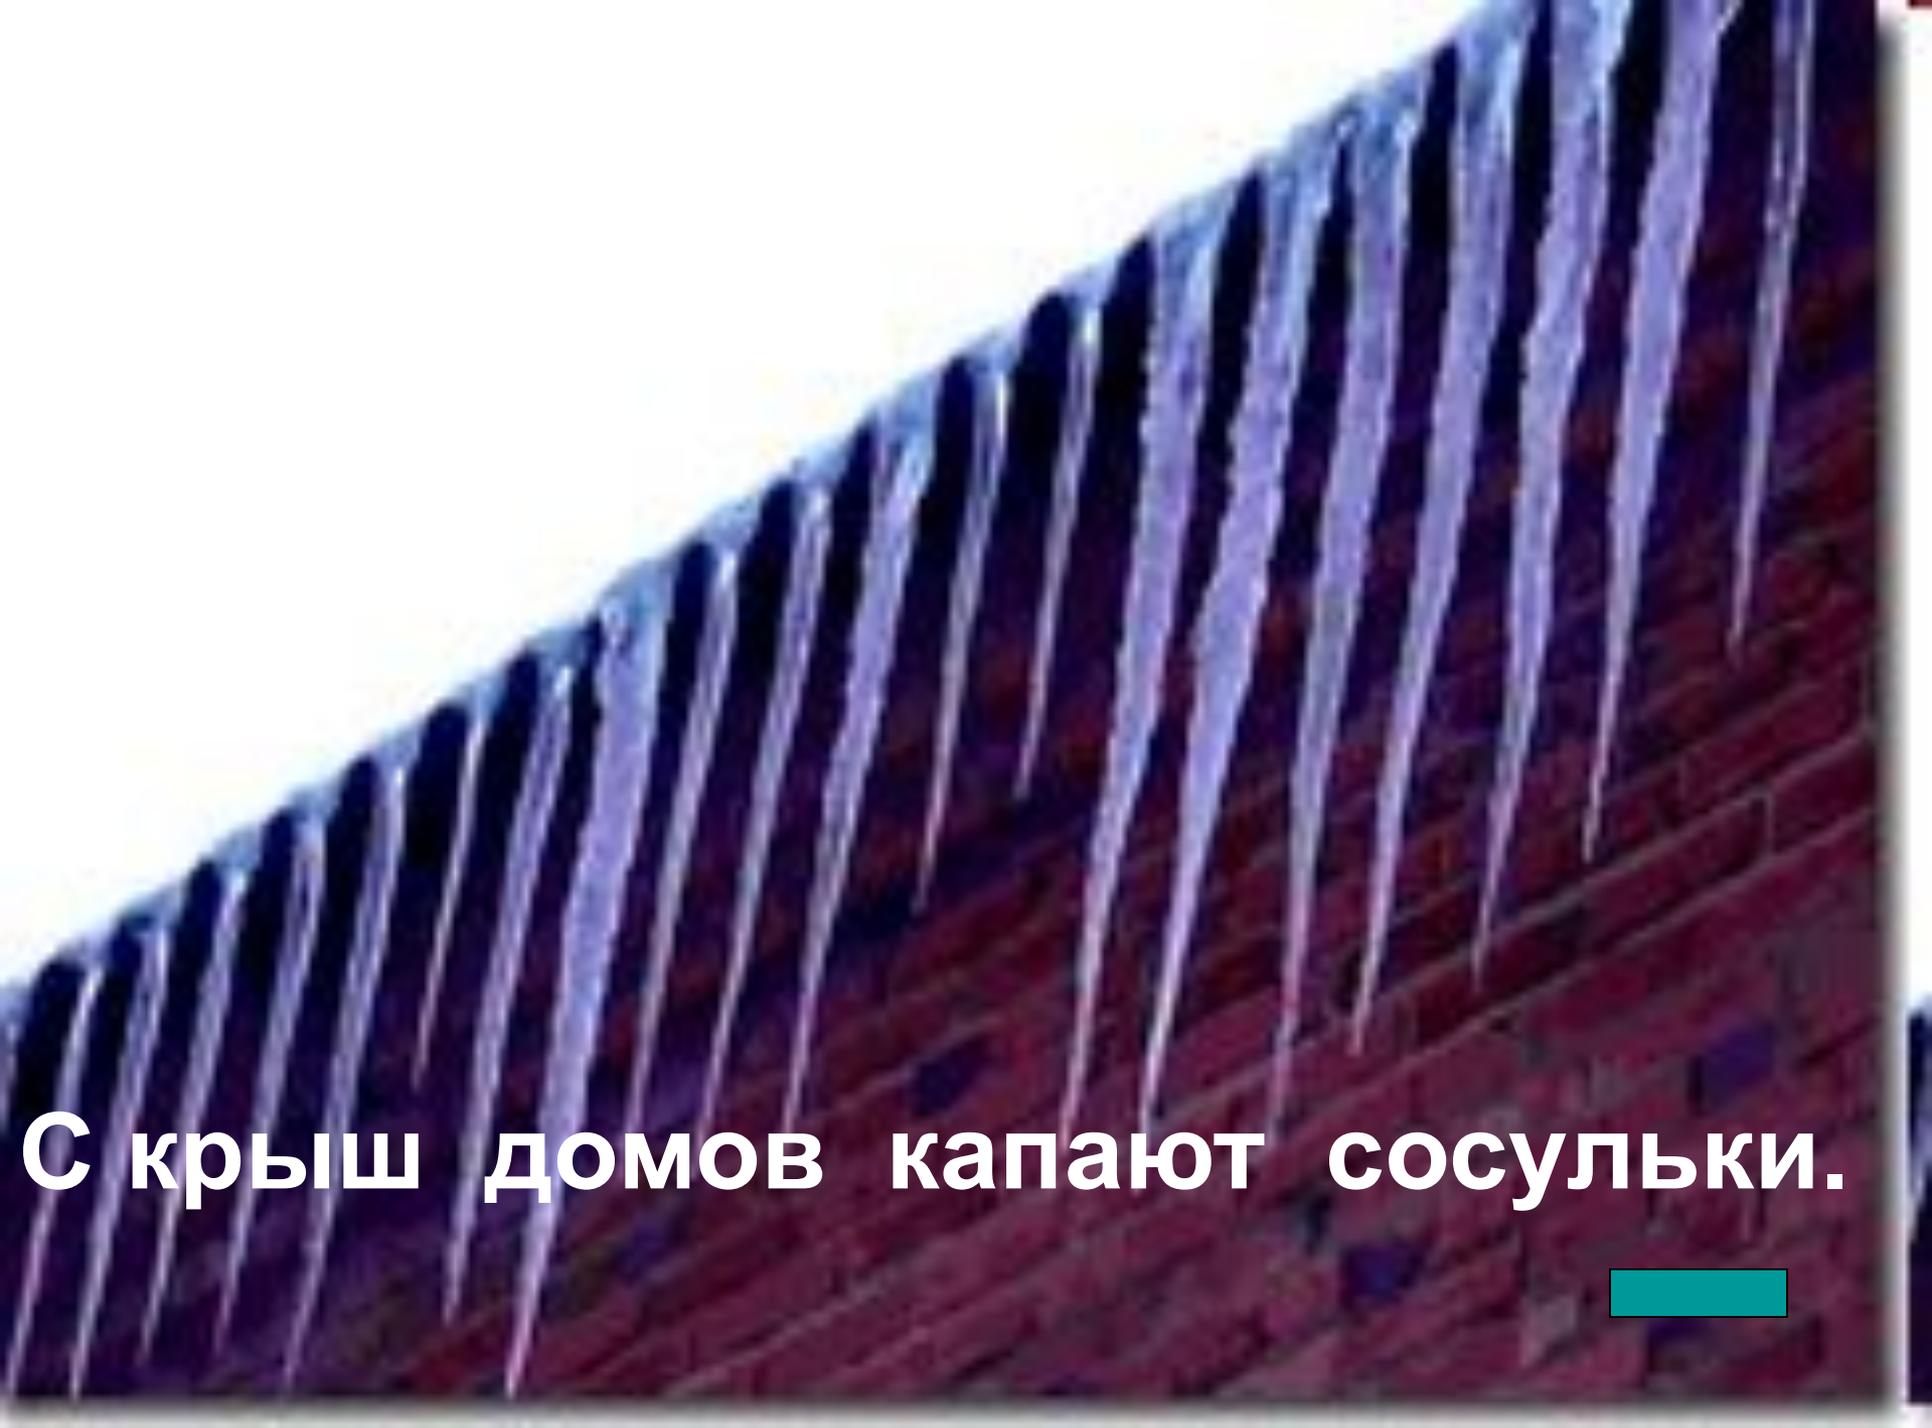

**Погода становится теплее.**

**Снег тает.**

**С крыш домов капают сосульки.**

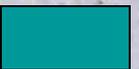

A close-up photograph of a tree branch with several brown, swollen buds. The buds are in various stages of development, with some showing the beginning of leaf structure. The background is a soft, out-of-focus blue and green, suggesting a natural outdoor setting.

**На деревьях набухают почки.  
Скоро появятся первые листочки.**

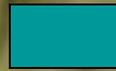

**Появляются первые  
цветы – подснежники.**

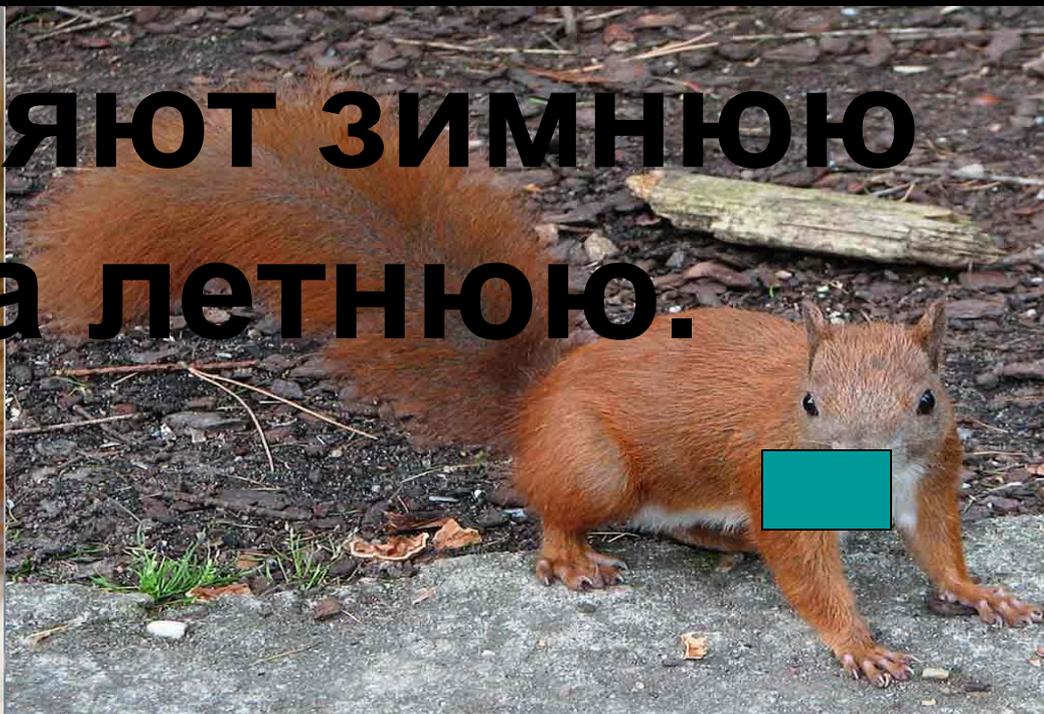

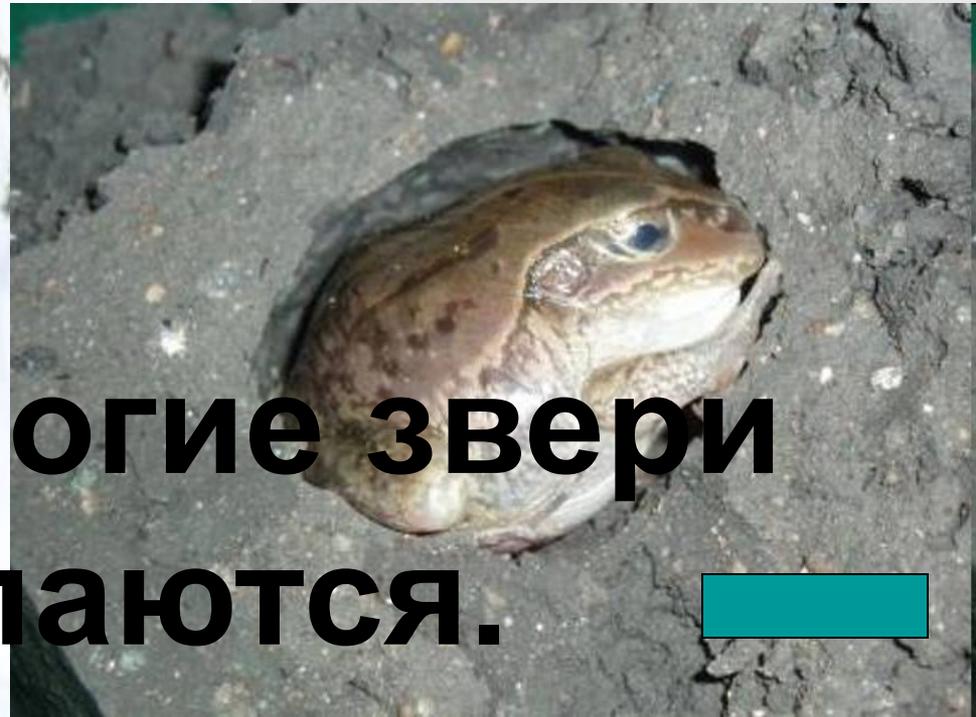

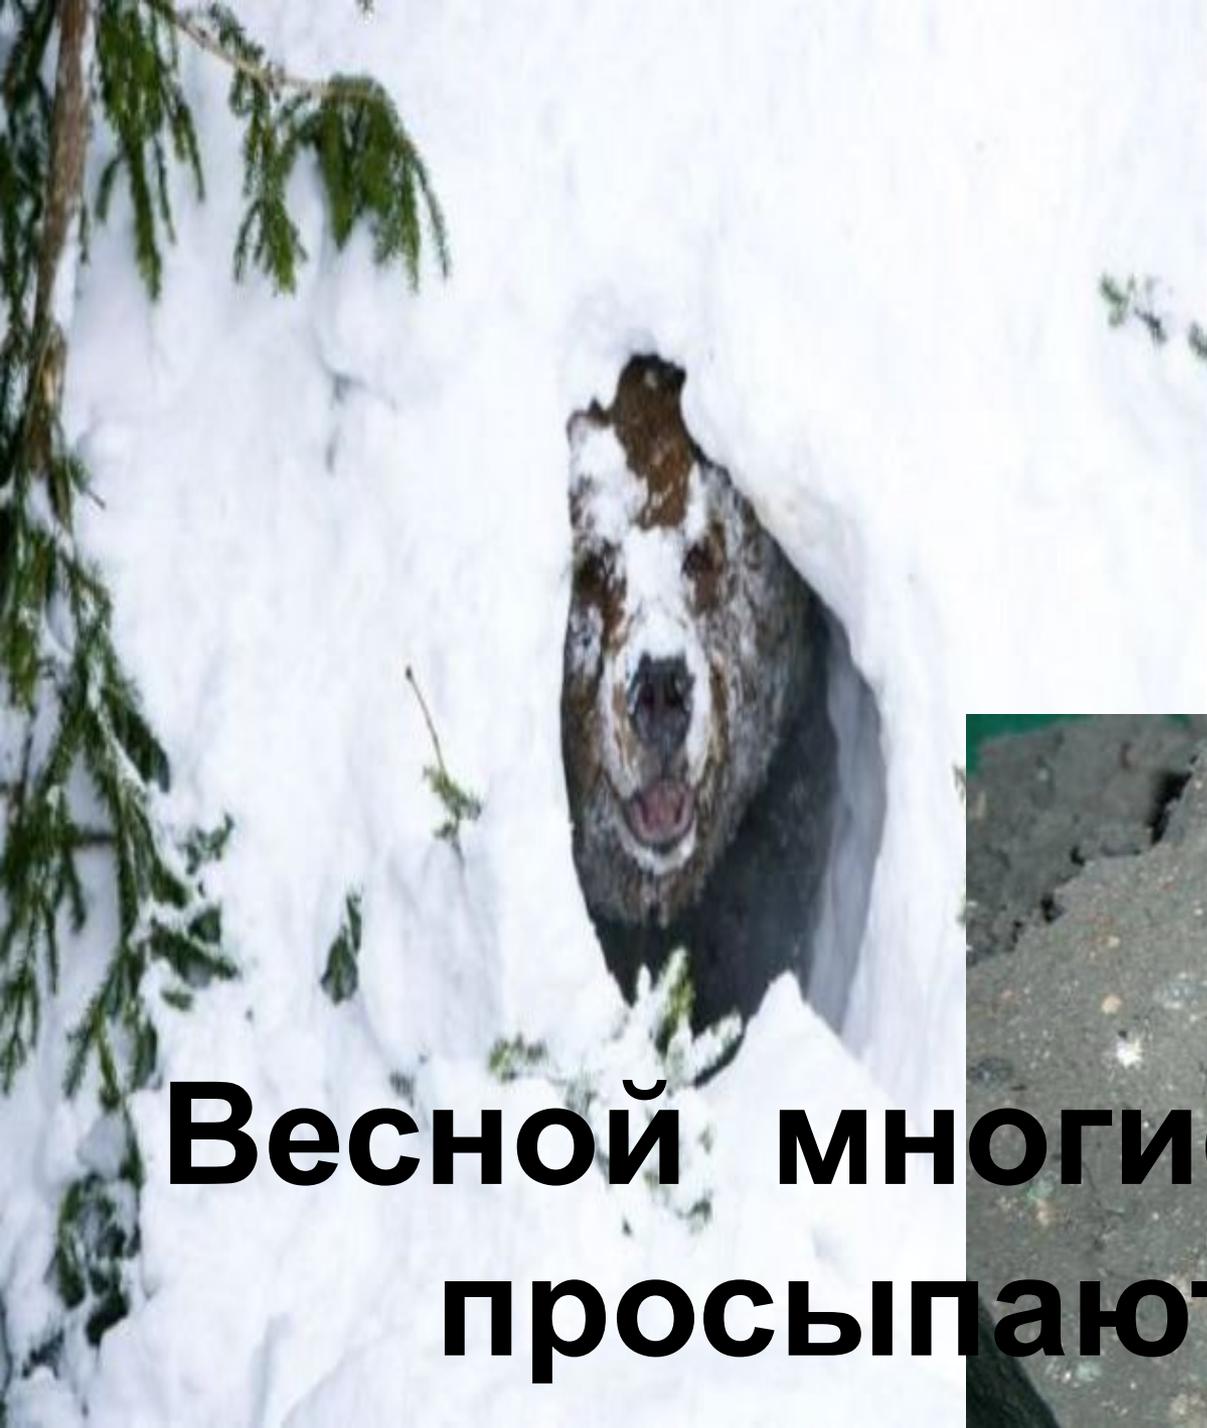

**Прилетают птицы. Они  
вьют гнёзда и выводят  
птенцов.**

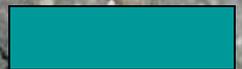

**Звери меняют зимнюю шубу на летнюю.**

**Весной многие звери  
просыпаются.**
