HOW TO GET TO THE CZECH REPUBLIC?

The screenshot displays two flight options for a return trip from St. Petersburg to Prague. The top option is a direct flight on Turkish Airlines (TK) from St. Petersburg to Prague on February 1, 2021, with a departure at 02:45 and arrival at 18:15. The bottom option is a multi-stop flight on LOT, Ryanair, and Wizz Air from Prague to St. Petersburg on February 8-9, 2021, with a departure at 19:50 and arrival at 21:25. On the left, a sidebar shows the purchase price for the Turkish Airlines ticket as €138 on Trip.ru, with alternative prices from KupiBilet.ru (€141), OneTwoTrip (€143), and SuperSaver (€143). The Ryanair/Wizz Air ticket is shown as €96 on Kiwi.com and €109 on Tickets.ru. To the right of the flight details, there are icons for a train and a car, both crossed out with red circles, and a blue circle with a white airplane icon and a green checkmark, indicating that flying is the recommended mode of transport.
