

Letter to Santa Claus

Song "Jingle Bells"

Christmas Quiz

THE HANGMAN

Dear Santa Claus,

This is my letter to you. My name is Sandy. I am 12 years old and I love celebrating Christmas. My family has a tradition we follow every year on Christmas. On the first days of December, we decorate our house for the holidays. First, we bring the Christmas tree to the living room, and we hang lights, bells and bulbs all over the tree. We hang a green wreath on the doorway too. The decorations make everybody feel really happy. On Christmas Eve, we prepare many candy canes and cookies and put them on the table. We usually place our gifts under the tree.

Mom and dad sometimes invite my aunt and uncle to celebrate Christmas with us. They live far from here, in Magé. My cousins come along too. I like them because they we frequently play together. On December 25th, we go out and listen to carol singers on the streets. They always sing beautiful Christmas carols.

Santa, I know you'll come with your sleigh and reindeers. And I know you have a big bag of toys. So, please, bring a nice toy. I wish you could give me a Barbie doll. Thanks a lot.
