

E-10 you are just
you are just
cosmic !

Let's explore!

used to

We use *used to* + infinitive to talk about a past situation that is no longer true. It tells us that there was a repeated action or state in the past which has now changed.

✧ *She used to be a long-distance runner when she was younger.*

✧ *I didn't use to sleep very well, but then I started doing yoga and it really helps.*

✧ *Did you use to come here as a child?*

Be used

to means 'be familiar with' or 'be accustomed to'.

** She's used to the city now and doesn't get lost any more.*

** He wasn't used to walking so much and his legs hurt after the hike.*

** He wasn't used to walking so much and his legs hurt after the hike.*

We use **get used to** to talk about the process of becoming familiar with something. *to* means 'be familiar with' or 'be accustomed to'.

** I'm finding this new job hard but I'm sure I'll get used to it soon.*

** It took my mother years to get used to living in London after moving from Pakistan.*

** I'm getting used to the noise now. I found it really stressful when I first moved in.*

Thanks!
