line manager - Your line manager is the person at work who is in charge of your department, group, or project.

A motivational quote by Carmelo Anthony is displayed in white text on a dark, semi-transparent background. The background image shows a snow-capped mountain peak under a sunset sky with soft, colorful clouds. The quote is centered and reads: "People tend to grow fearful, when they taste failure, face a daunting challenge or fall ill. Yet, that is precisely the time to become even bolder. Those who are victors at heart are the greatest of all champions!!!!"

against (all) the odds/ against all odds. If you do or achieve something against (all) the odds (against all odds), you do or achieve it although there were a lot of problems and you were not likely to succeed. Ex.: Against all the odds, he recovered.

AGAINST ALL THE ODDS

daunting (adj.) If something is daunting, it makes you worried because it is difficult or frightening.

daunted (adj.) - feeling afraid or worried. Ex.:
He was a bit daunted by the prospect of meeting her parents

A feather in one's cap - an achievement to be proud of.

Eg: It's a real feather in our cap to be playing in the state championship.

Come out with flying colours

- come out/pass with flying colors = to achieve a great success

The image is from the days of sailing ships returning from a successful sea battle flying their flags, known as colors

“If we’re going to bring out the best in people, we, too, need to sow seeds of encouragement.”

The background of the image shows two hands, one from the top right and one from the bottom left, reaching towards each other in a gesture of support or agreement. They are set against a backdrop of a field of tall, golden-brown grass under a clear, bright blue sky. The overall mood is one of optimism and encouragement.

GOLDEN BOOK

Principles from How to Win Friends and Influence People

Become a Friendlier Person

1. Don't criticize, condemn or complain.
 2. Give honest, sincere appreciation.
 3. Arouse in the other person an eager want.
 4. Become genuinely interested in other people.
 5. Smile.
 6. Remember that a person's name is to that person the sweetest and most important sound in any language.
 7. Be a good listener. Encourage others to talk about themselves.
 8. Talk in terms of the other person's interests.
 9. Make the other person feel important - and do it sincerely.
-

Win People to Your Way of Thinking

10. The only way to get the best of an argument is to avoid it.
11. Show respect for the other person's opinion. Never say, "You're wrong."
12. If you are wrong, admit it quickly and emphatically.
13. Begin in a friendly way.
14. Get the other person saying "yes, yes" immediately.
15. Let the other person do a great deal of the talking.
16. Let the other person feel that the idea is his or hers.
17. Try honestly to see things from the other person's point of view.
18. Be sympathetic with the other person's ideas and desires.
19. Appeal to the nobler motives.
20. Dramatize your ideas.
21. Throw down a challenge.

The bravest sight in all this world is a
man fighting against odds.
