*Царица - математика опять
 Вас собрала на праздник знаний
 И приглашает всех блистать
 Умом, смекалкой, юмором дерзаний.
 Нет скучных формул, теорем,
 Сегодня – не урок, а праздник!
 И пусть не все получится, как ты хотел,
 Тебе откроется дорога к знаниям.*

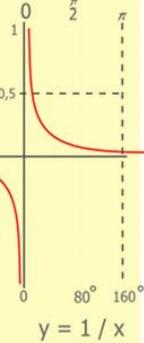

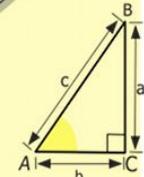

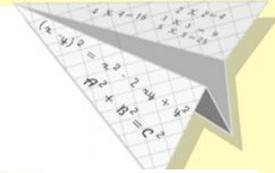

Что такое КВН?

- Это школа юмора

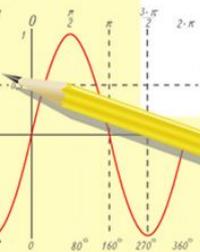

Что такое КВН?

Чтоб Вы больше думали

- Это юмор, это смех, это ловкость и успех

Лабиринт (греческое слово) означает «ход в подземелье». Лабиринт – запутанная сеть дорожек, ходов, сообщающихся друг с другом помещений.

Каждая команда получает стихотворение о математике, но оно «разбилось», остались подсказки в виде стрелок и номеров.
