RAINBOW

BY STUDENTS OF
EDELWEISS SCHOOL,
SYKTYVKAR, RUSSIA

We are sad.

It is nasty. It is rainy.

I can help you. I can make a rainbow.

I need seven colours: red, orange,
yellow, green, light blue, dark blue
and purple.

I have a red colour.

I have an orange colour.

I have a yellow colour.

I have a green colour.

I have a light
blue colour.

I have a dark blue
colour.

I have a purple colour.

Hooray!

We are happy!

Well done!
