

View from cottage. The cottage will have approx 20ft in front of it before that cliff to water falls off. Cottage is 66ft back from water.

This is where cottage is going. We blasted out a flat plateau right here. The cottage is 20' away from where the rock ledges really drop off.

WATER

LOT 2

Wood stairs to water.

Steep rock ledge.

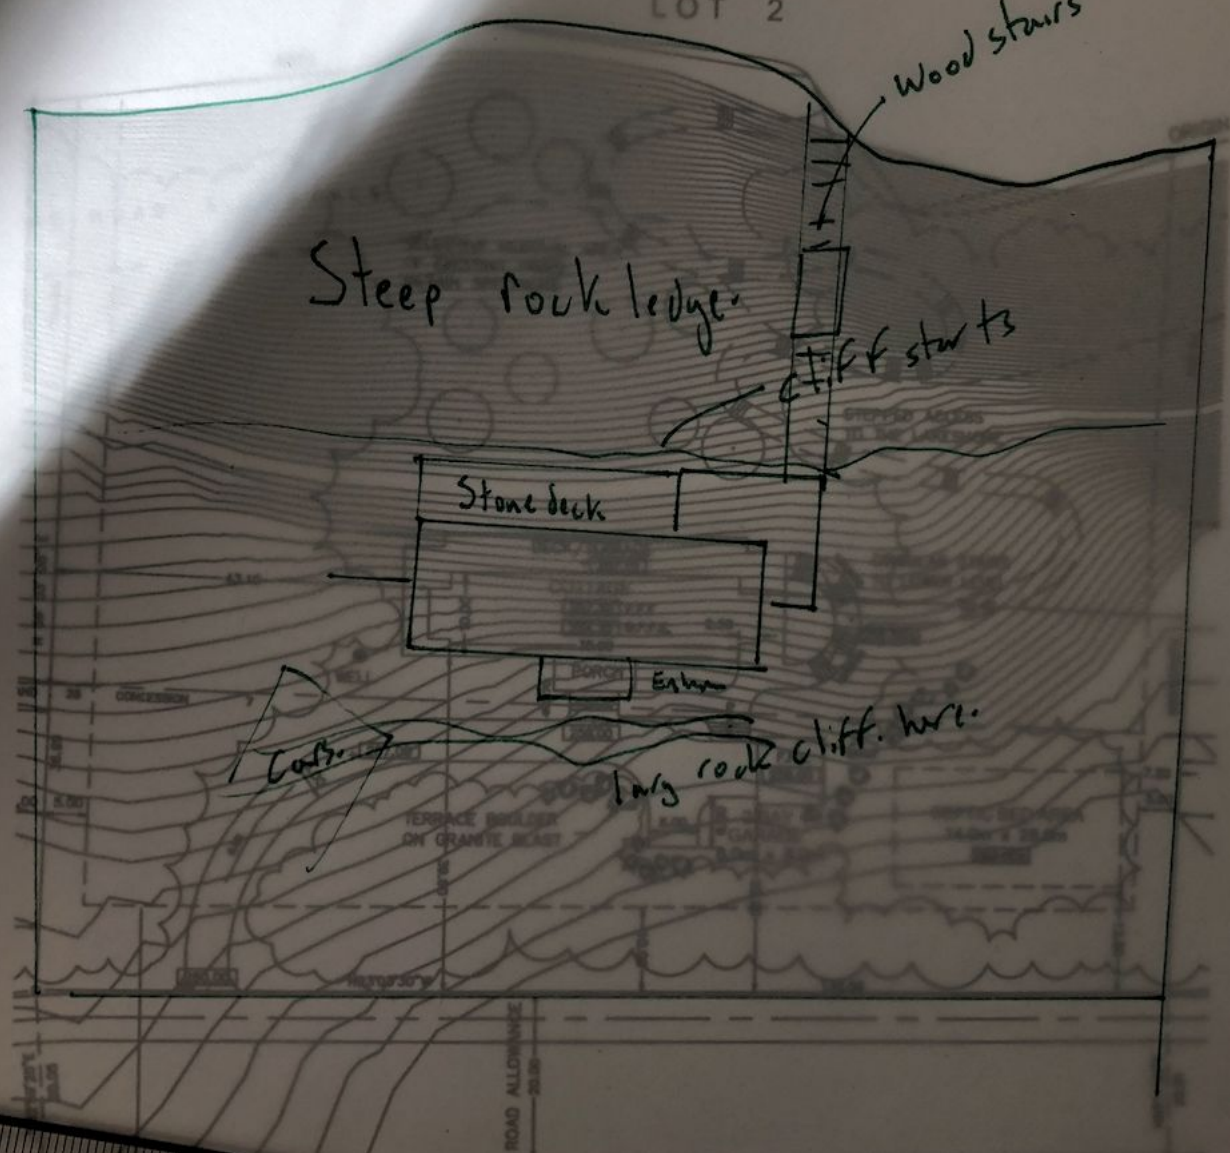

Cliff starts

Stone deck

Entry

Cont.

Large rock cliff here.

Style of landscaping

Style of landscaping. But no driveway on this one. Rockface is where driveway is.
