GIRAFFE

A vibrant, stylized illustration of a forest. The scene is dominated by various shades of green, from deep forest greens to bright, almost yellow-green highlights. In the foreground, there are dark, jagged rocks and tall, thin blades of grass. To the right, a large, gnarled tree trunk with a thick, textured bark stands prominently. A branch extends from the tree towards the center, with several long, thin, icicle-like structures hanging from it. The background is filled with more trees, some with smooth, light-colored trunks and others with darker, more textured bark. The overall atmosphere is one of a dense, sun-dappled woodland.
