A vibrant blue background with a collage of summer-themed items. At the top left is a large, bright yellow sun. Next to it is a black and white soccer ball and a colorful beach ball. To the right is a brown smartphone. Below these items is a white rectangular card with the text "Thank you for the lesson!". The card is decorated with small white flowers and a silver pushpin. At the bottom left are two black and white Polaroid photos, one with a red paperclip and one with a green paperclip. At the bottom right is a red and white lifebuoy. The background is filled with soft, glowing light effects and faint watermarks of the text "depositphotos".

**Thank you
for the lesson!**
