

The car will move across the town.
What places will it pass?

What has it passed?

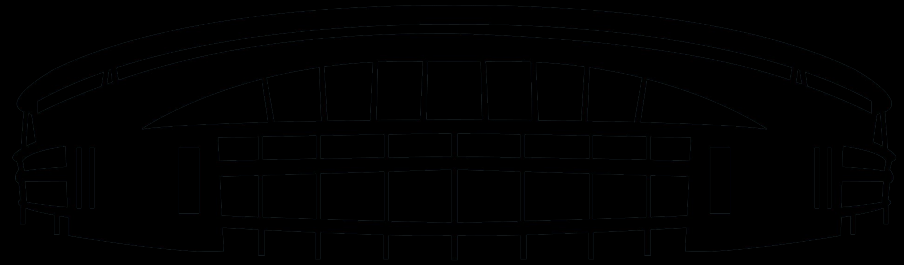

23

10 0 10

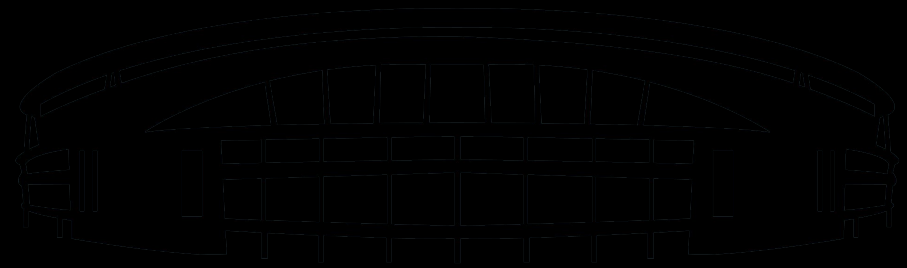

It passed a **cinema**, a
school and a **pet shop**

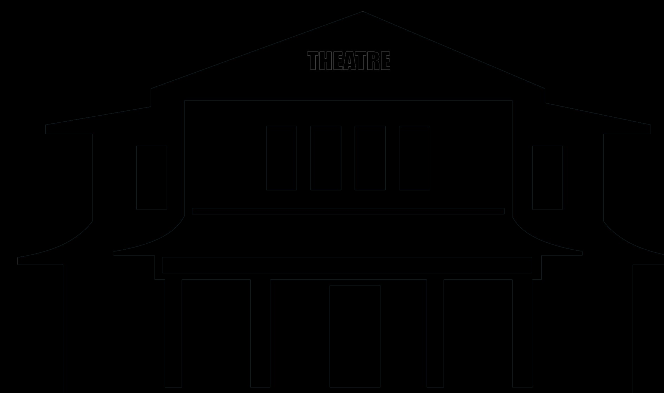

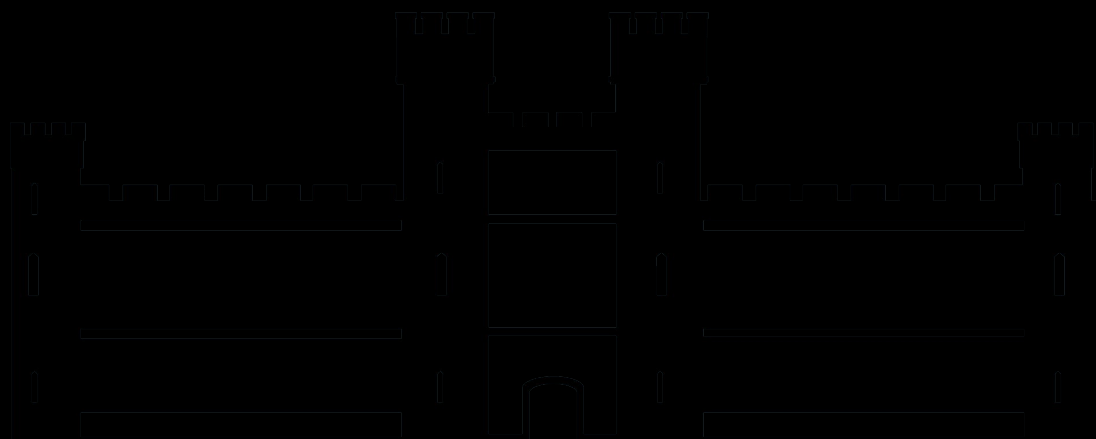

Look! It is coming back

What has it passed?

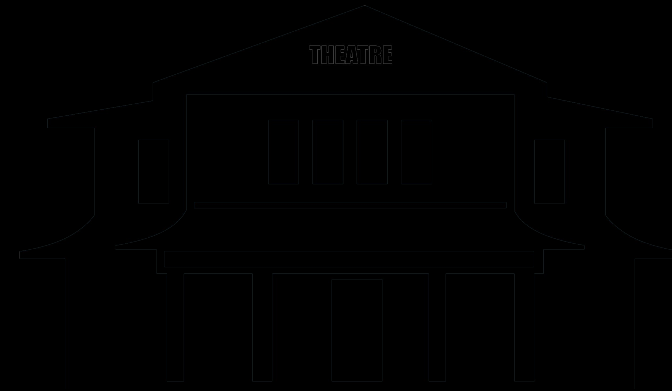

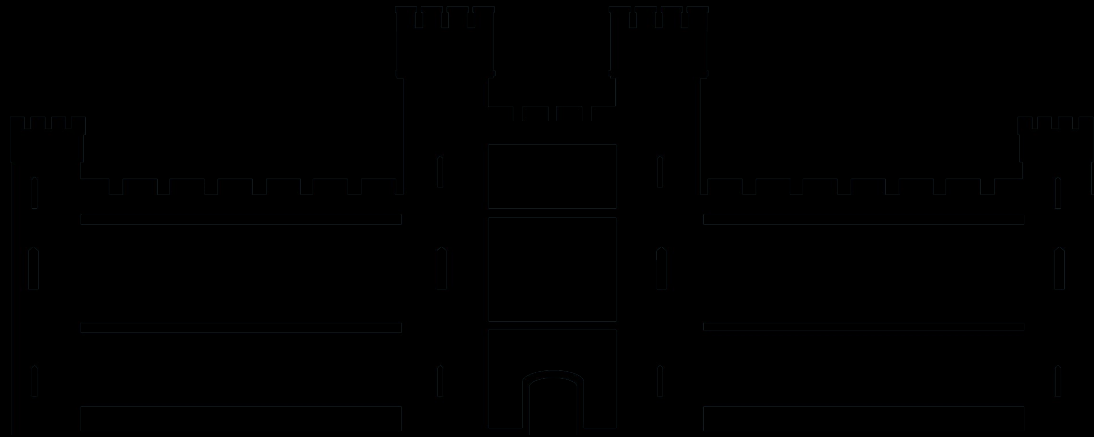

It passed a **stadium**, a
church and a **mosque**

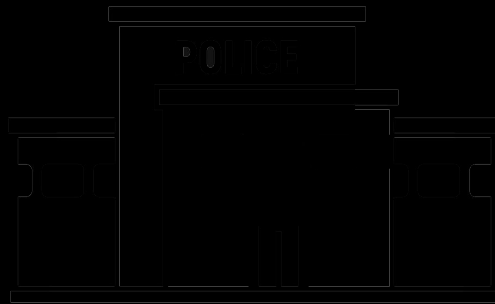

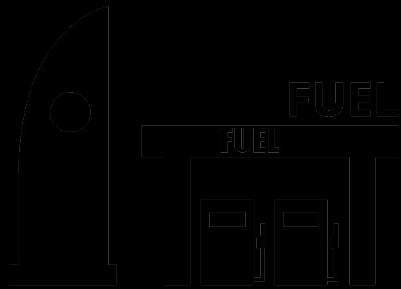

Look! The car continues its
way

What has it passed?

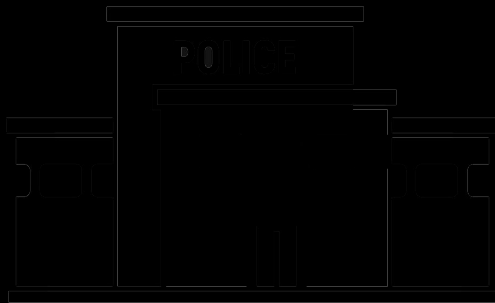

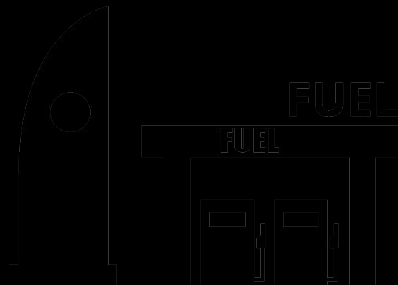

It passed a **Castle**, a **Theatre**
and a **monument**

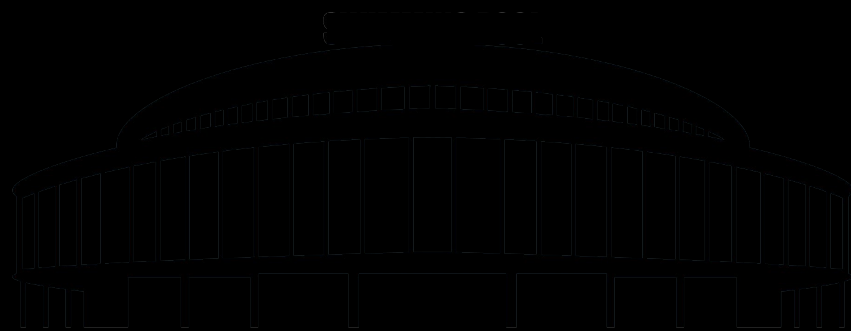

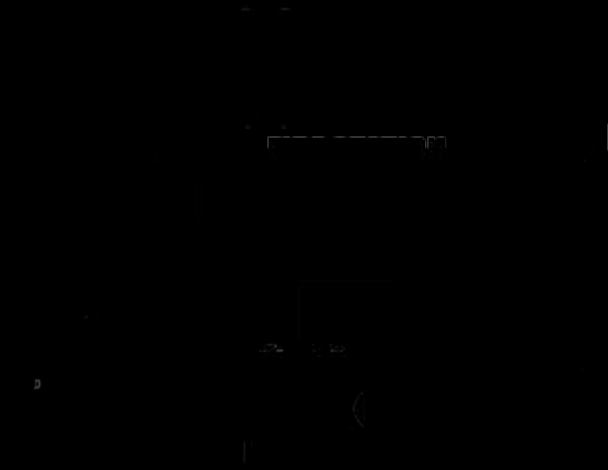

Look! The car keeps going

What has it passed?

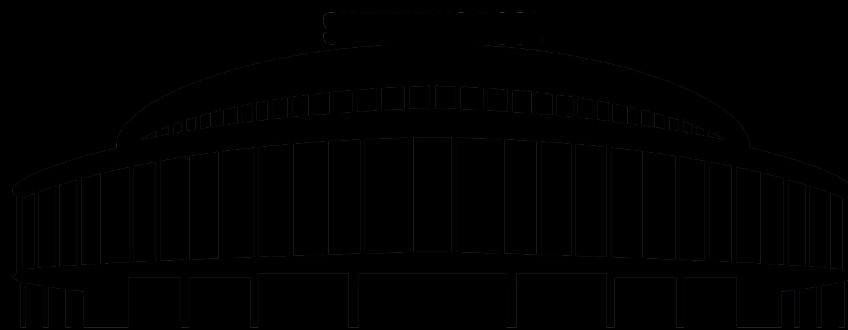

It passed a **library** a **police station**
and a **petrol station**

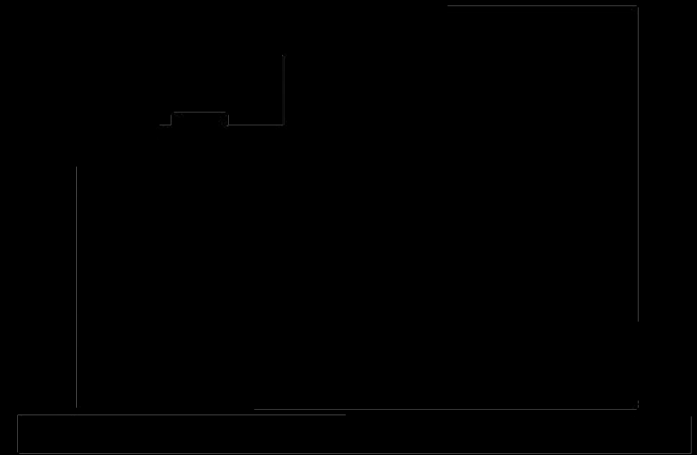

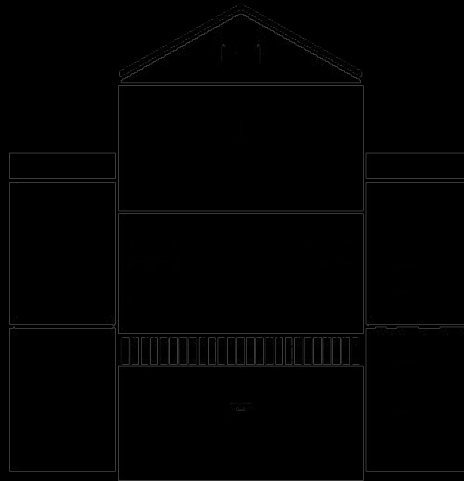

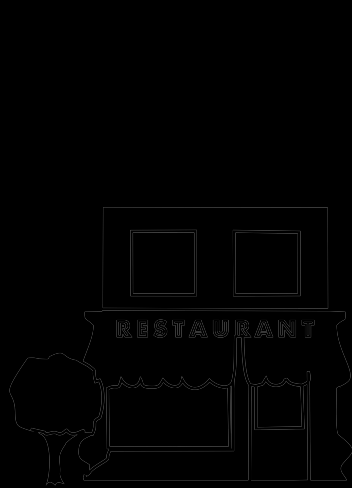

What will it pass next?

What has it passed?

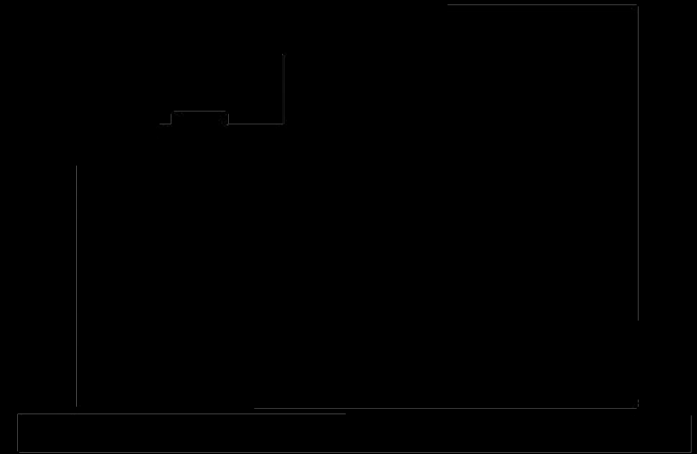

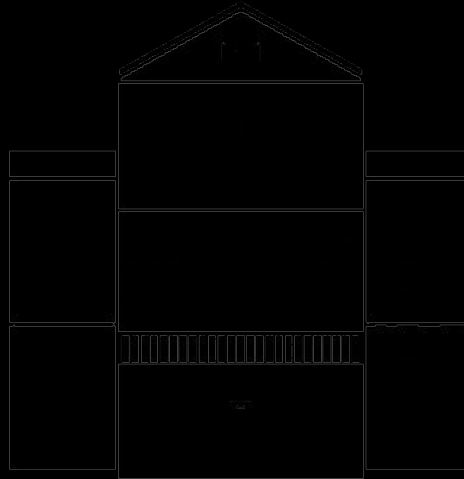

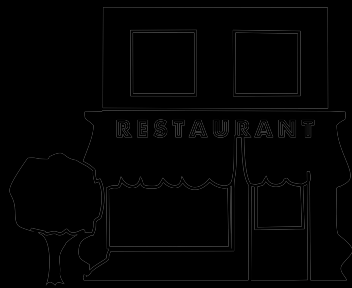

It passed a **fire station** a **swimming pool**
and a **theme park**

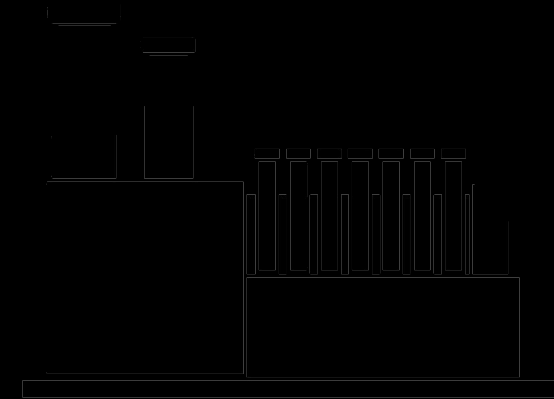

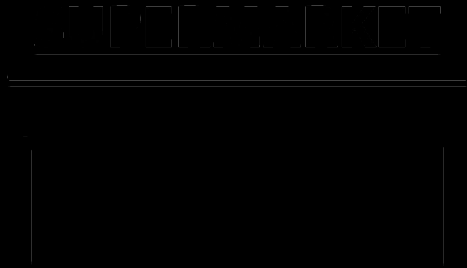

Where is this car going?

What has it passed?

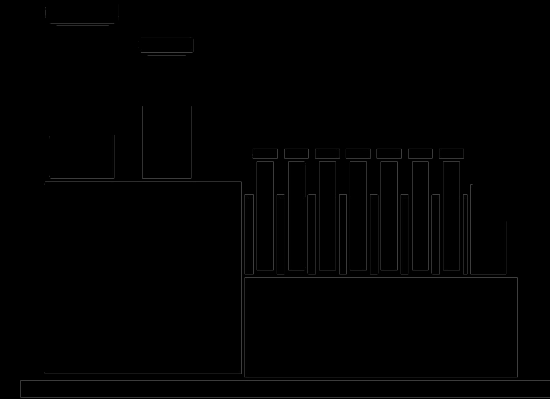

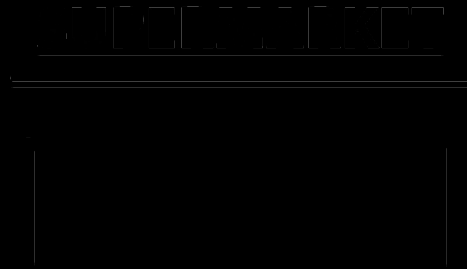

It passed a **Hospital**, a **post office** and a
restaurant

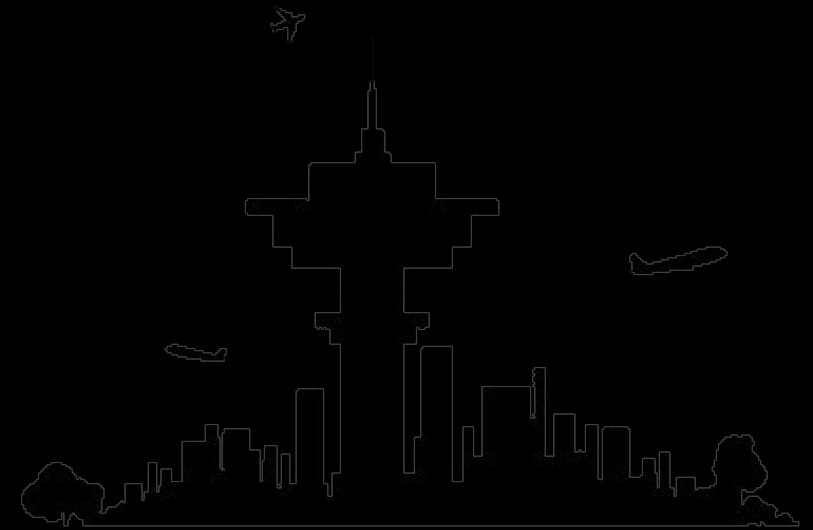

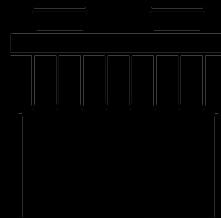

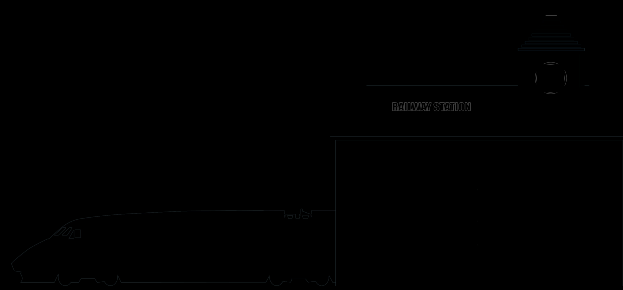

The drives lives not in the city
center, doesn't he?

What has it passed?

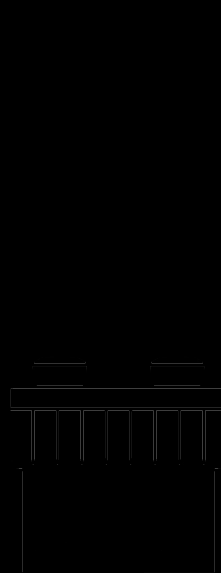

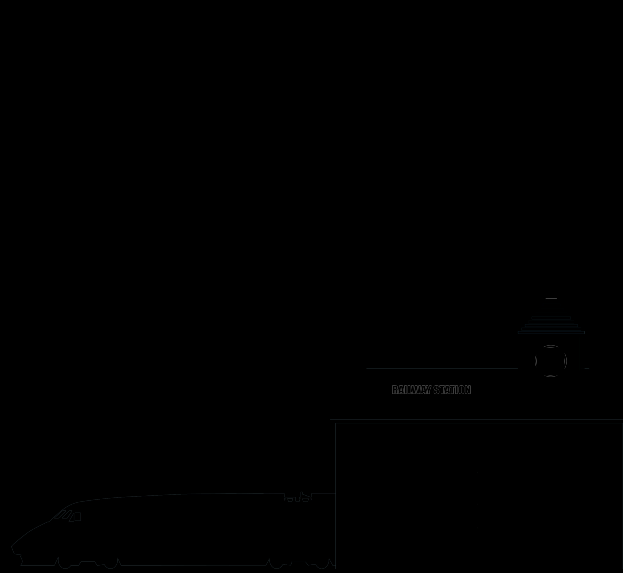

It passed a **supermarket**, a **bank** and a
factory

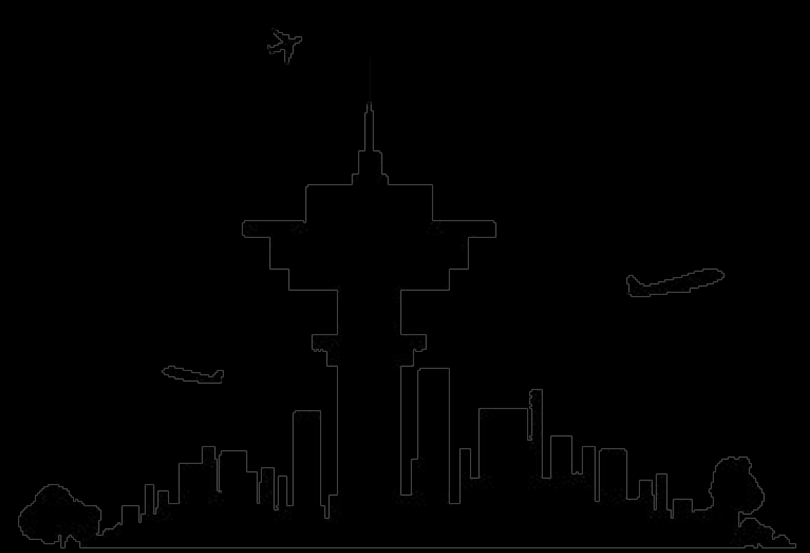

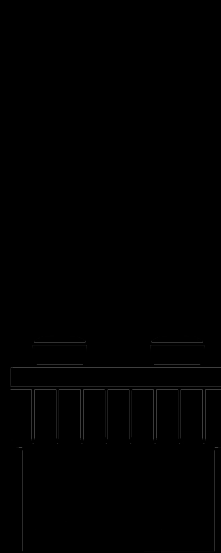

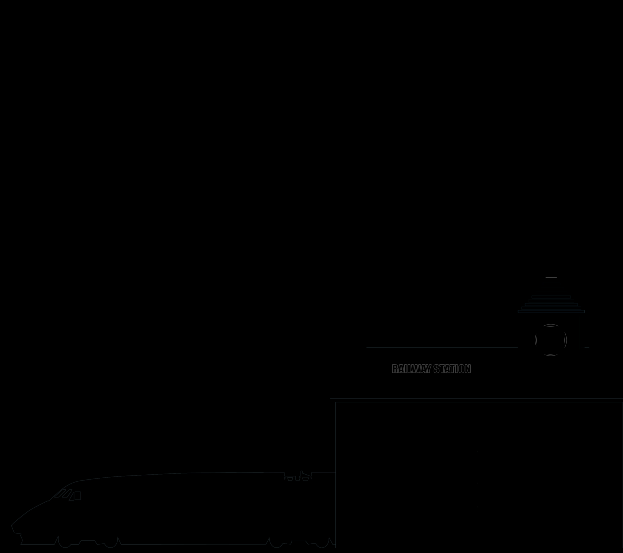

What a long night for a driver!

What has it passed?

It passed an **airport**, a **bakery** and a
railway station

**And finally the car reached its
home! Hooray**

The End
