

A winter-themed illustration featuring a central red box with a white dotted border. The box contains the text "Winter OPS 2018" in a white, elegant script font. Surrounding the box are various winter elements: a red squirrel on a branch to the left, a red bird on a branch to the right, several light blue snowflakes, green holly leaves with red berries at the bottom, and various green and blue branches and leaves. The background is a light beige color with a subtle pattern.

A black rolling suitcase is overflowing with items. On top, there is a large, colorful patterned scarf, a blue jacket, and two bags of snacks. The bag on the left is labeled 'Апельсин ТОА СГУЩЕНКА' (Orange TOA Condensed Milk). The bag on the right is labeled 'Сладкая Фигурка ТОА' (Sweet Figurine TOA) and shows a cup of tea and pastries. A white stick is protruding from the side of the suitcase. The suitcase is on a beige carpeted floor against a wall with decorative floral patterns.
