TARGET:

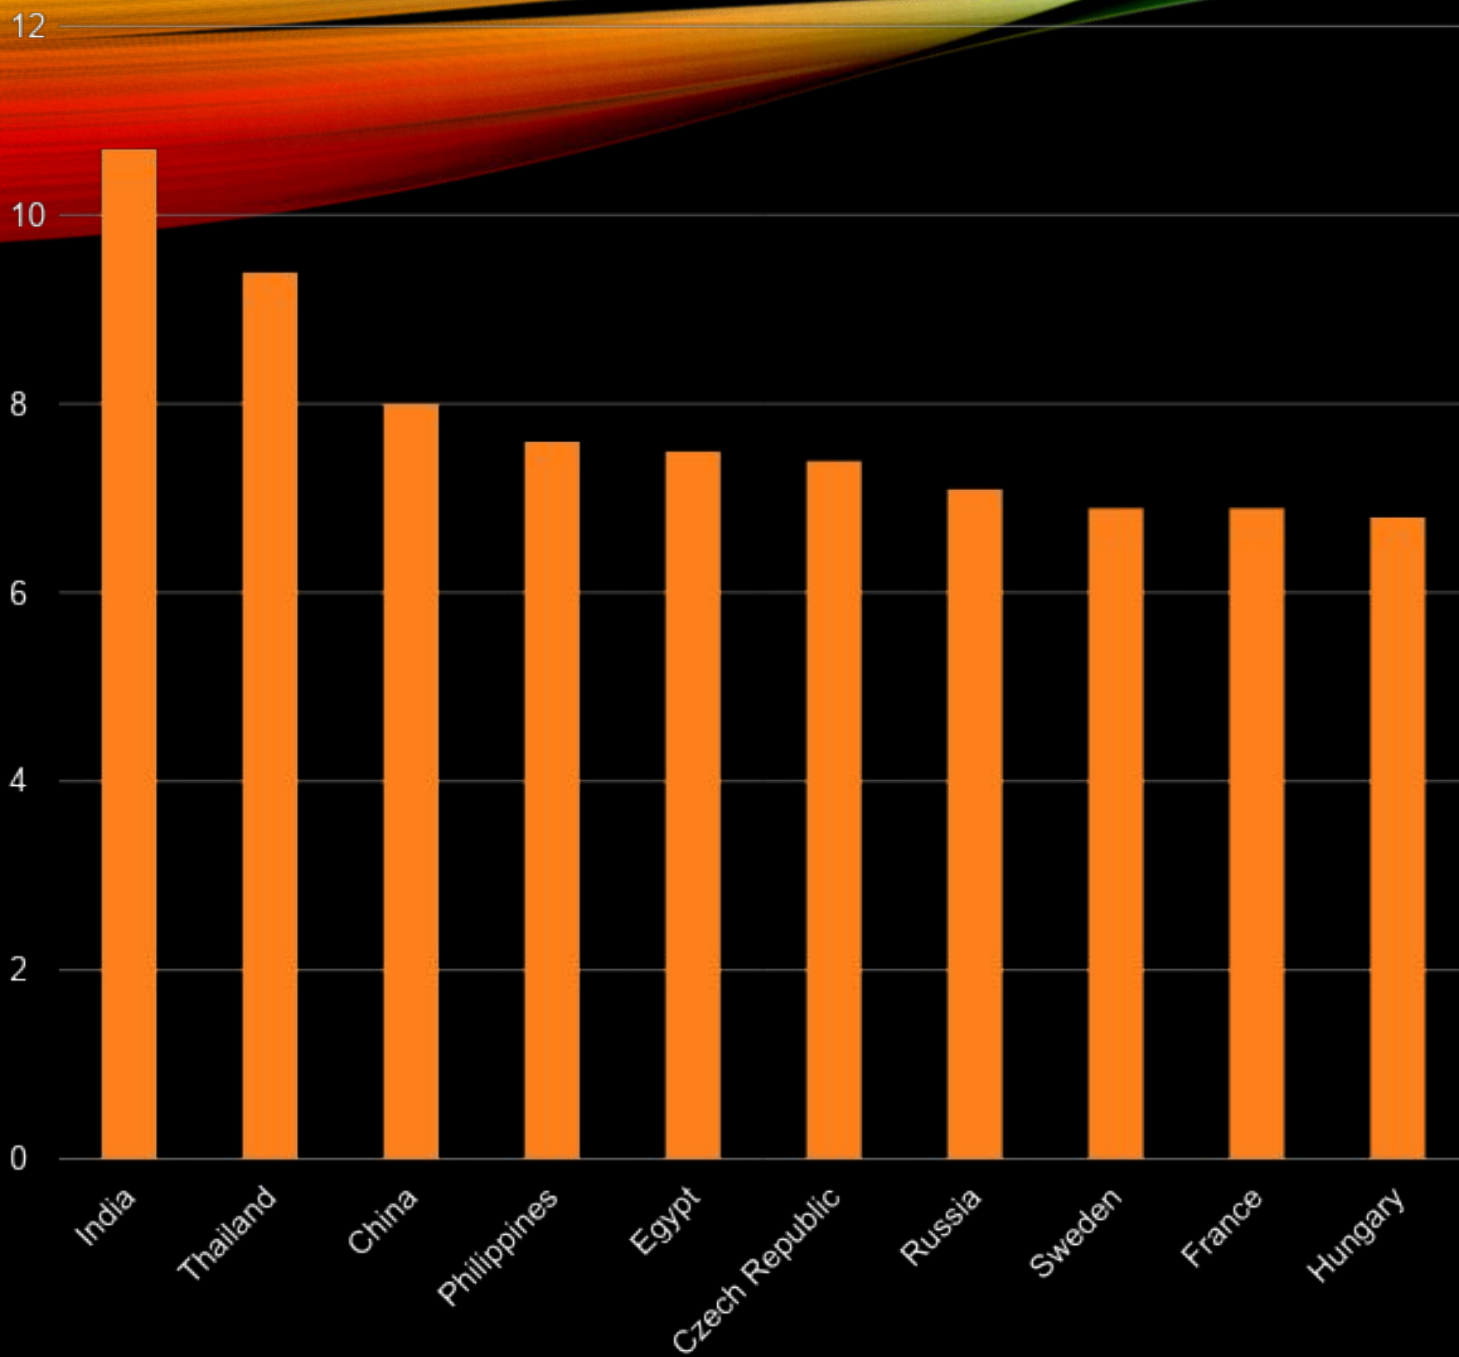

- The purpose of my work is to learn about the books of their writers and readers

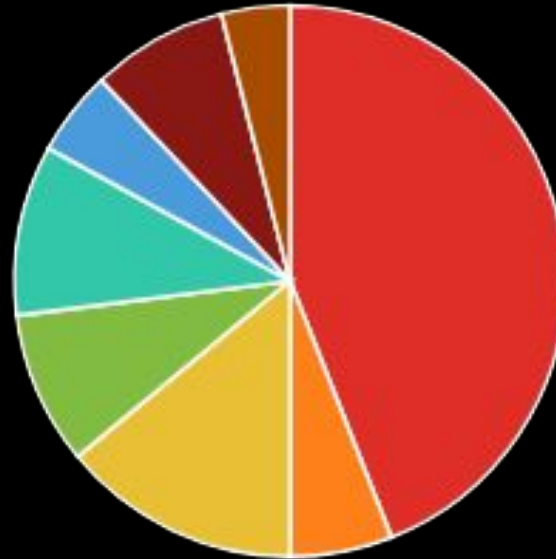

AS YOU KNOW WITH THE ADVENT OF TECHNOLOGY PEOPLE BEGAN TO READ LESS AND COMMUNICATE IN A LIVING. WHERE TO CALL OR SEND A TEXT MESSAGE. BUT THE BOOKS DID NOT GO AWAY, THEY JUST BECAME LESS READ. FOR EXAMPLE, HERE ARE THE RESULTS OF A POLL OF 1000 RANDOM PASSERS-BY.

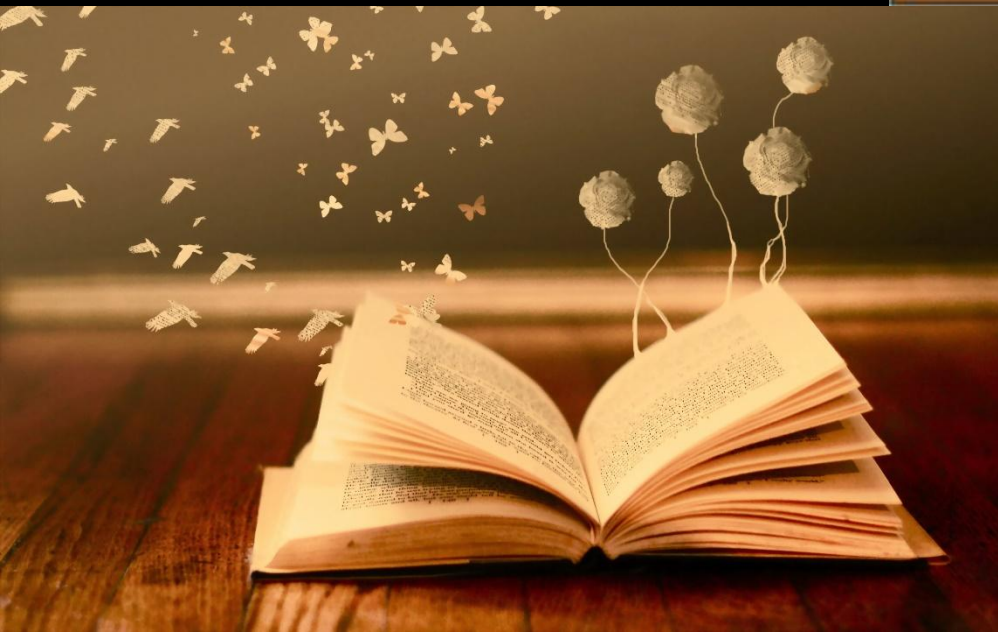

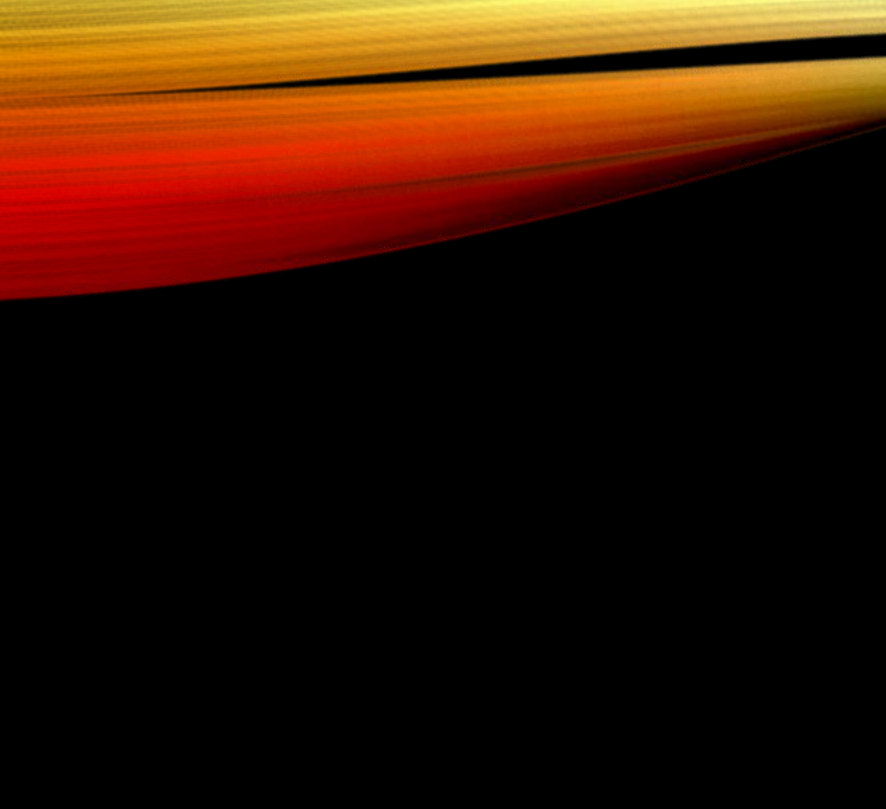

most reading countries

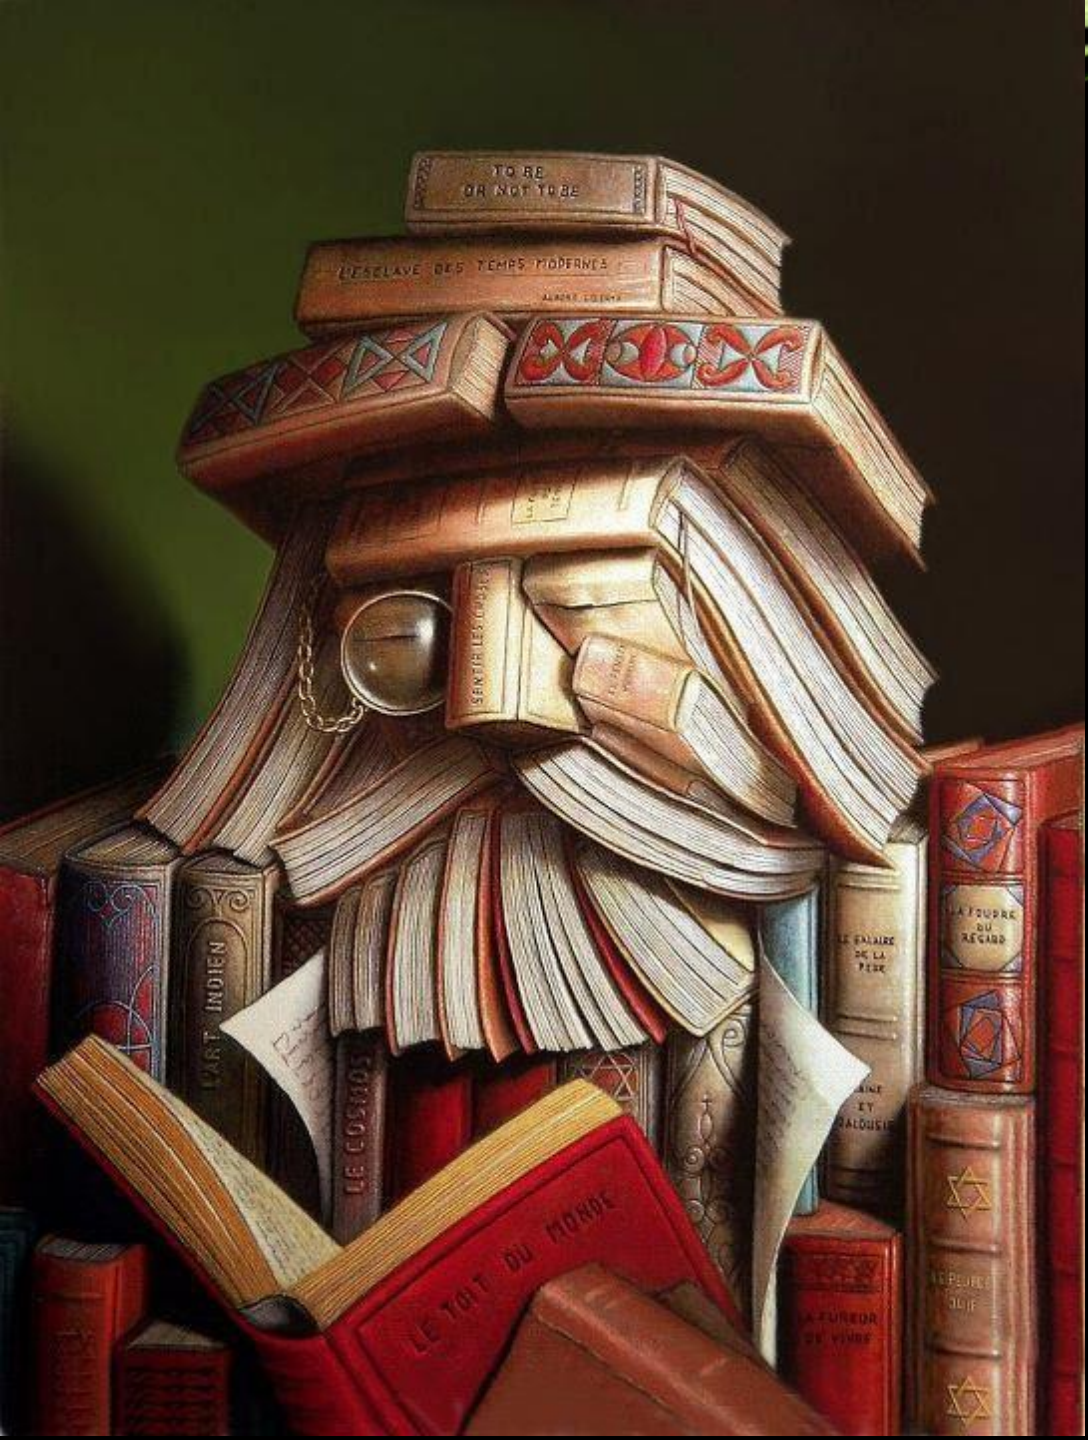

THIS TABLE SHOWS THE NUMBER OF BOOKS READ PER YEAR BY OUR COMPATRIOTS. UNFORTUNATELY ABOUT HALF OF 10000 PEOPLE DID NOT READ A SINGLE ONE.

- none read
- 1 book
- 2-3 books
- 4-5 books
- 6-10 books
- 11-20 books
- more than 20 books
- found it difficult to answer

BOOKS LOSE THEIR NEED. THEY ARE LESS AND LESS READ. LIBRARIES ARE VISITED LESS AND LESS. AND THEY LIE ON THE SHELVES AND ARE WAITING FOR A MEETING WITH NEW PEOPLE.

I THINK BOOKS
ARE A PORTAL TO
A DIFFERENT
WORLD. INTO THE
WORLD OF
IMAGINATION. IN
A WORLD WHERE
YOU WORRY
ABOUT THE MAIN
CHARACTERS AS
FOR THEMSELVES.
