The background features three anime-style characters in a futuristic, dark control room. On the left, a character with bright green hair and a yellow jacket stands. In the center, a character with purple hair and a blue cape holds a book. On the right, a character with white hair, glasses, and a blue uniform stands behind a console. The room is filled with various control panels, screens, and a large, glowing red structure in the background.

To be – evolution of  
despair
