Стефанец Ангелина 20-Р-2

The background features a watercolor splash of various shades of blue and purple on the left side, transitioning into a plain, light-colored background on the right. The splash consists of numerous overlapping circles and irregular shapes, creating a textured, artistic effect.

A background featuring a watercolor splash of various shades of blue and purple on the left side, transitioning into a light, textured off-white background on the right.

Photoshop

MAY

The image features the word "MAY" in a large, bold, black font. Each letter is filled with a dense, vibrant pattern of small purple flowers with yellow centers, set against a dark background. The letters are positioned on a white rectangular background, which is placed on a light gray surface. To the left of the white background, there are blue watercolor splatters and textures. The overall composition is clean and modern.
