

All about my trip to go hiking

to the
mountains

I like go hiking

It was in the beginning of summer

I was flying to Moscow

And then I flew to Krasnodar

I've met new friends

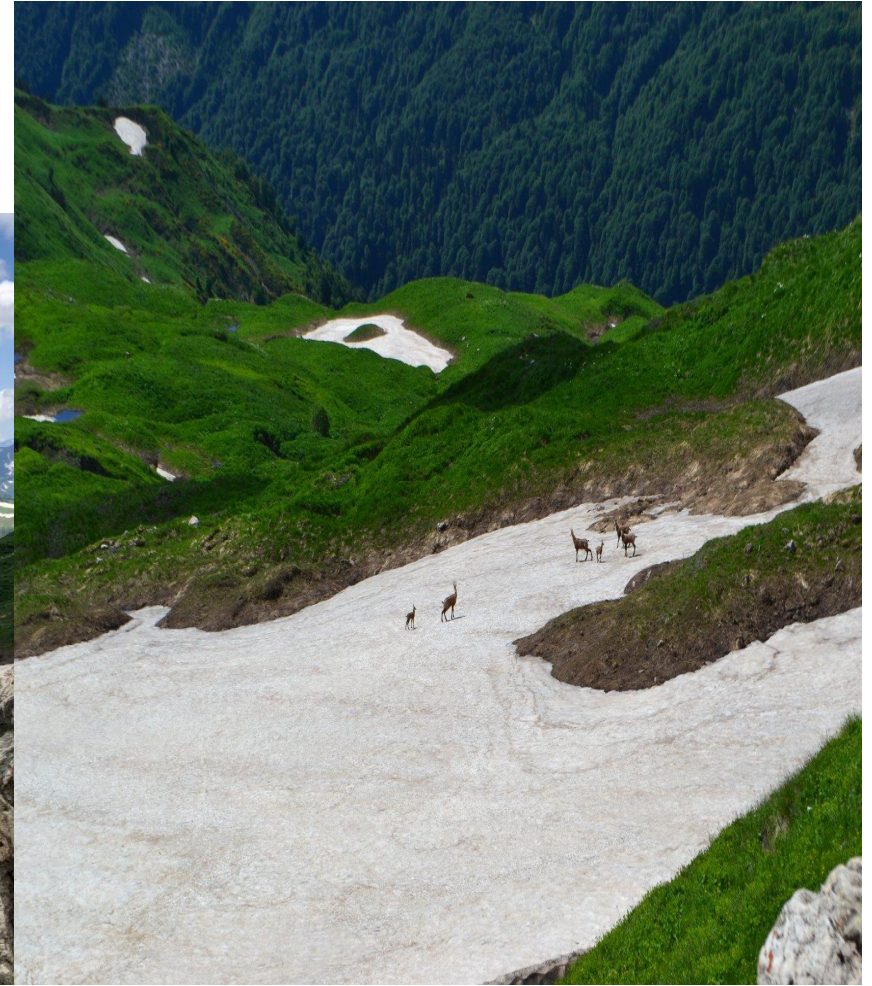

Then we drove to the
mountains

After 3 hours we saw it

It was really jungle

We on our way to the Guzeripl pass

Guzeripl pass

It was so beautiful view out of there.

When we achieved it and overcame it we
could finally saw majestic peak that
called Fisht.

**The next two hours we had to Wade
through the mud, across the boosting
streams**

13-30

Fisht shelter

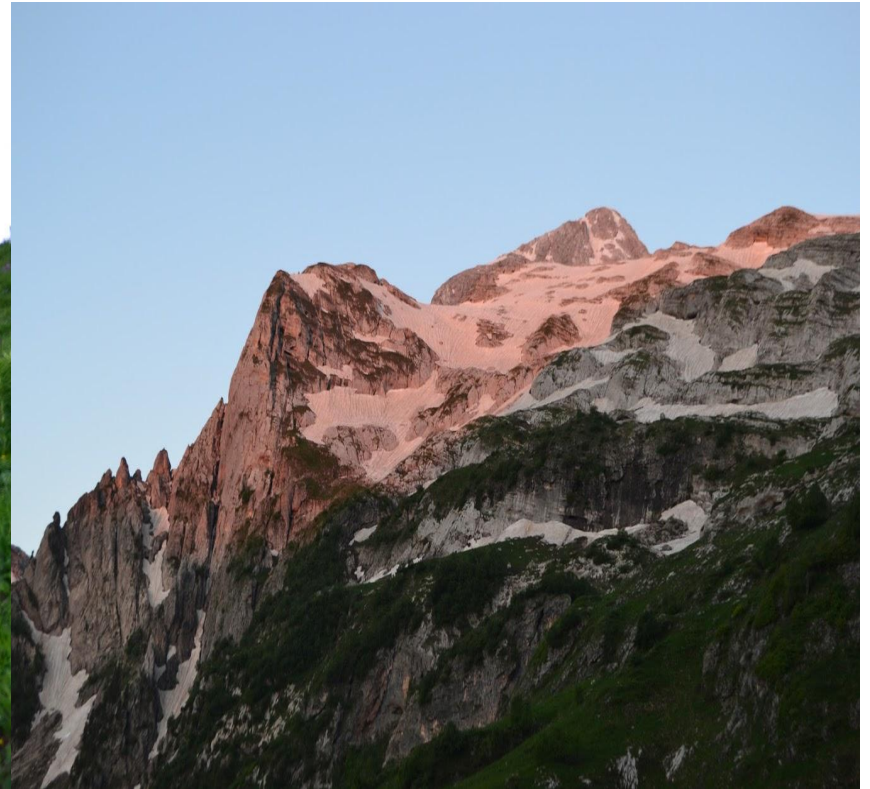

- At the back of the picture mount Fisht

Early morning, in the dark, we started to go to the peak of Fisht mount.

We many times crossed the little glaciers

The sunrise

First 3 hours of climb

**We many times crossed
little glaciers**

climbing steep cliffs.

Another 2 hours of climb

Near the top we got to the big glacier

Almost vertical climb

we used ice
axes.

alpine meadow changed to
the ice desert.

You can imagine the scale if you take a closer look at this picture.

In the final part our way often laid through the clouds and the view was bad.

At 9-00, after 5 hours climbing
we reached the top!

It height 2867,7 m or 9406 ft.

Then we started to go down.

I had so strong impressions of our trip

Thank you!
