**V** - **verb** - глаго

Во времена **Past Simple**  
выделяют правильные  
(**regular**) и неправильные  
(**irregular**) глаголы

Как у правильных, так и  
у неправильных

выделяют три формы:

**$V_1$**  - начальная форма  
глагола (как он в  
словаре)

**V<sub>2</sub>** - вторая форма  
глагола (Past Simple)

**V<sub>3</sub>** - третья форма  
глагола

У правильных глаголов  
(regular verbs) вторая ( $V_2$ ) и  
третья ( $V_3$ ) формы  
совпадают, т.е.  
образуются путём  
добавления к первой ( $V_1$ )  
форме глагола  
окончания -ed

У **неправильных**  
**глаголов (irregular verbs)**  
**вторую (V<sub>2</sub>) и третью (V<sub>3</sub>)**  
**формы учат наизусть**  
**или смотрят в таблице**  
**неправильных глаголов**
