

I have never...

I have always...

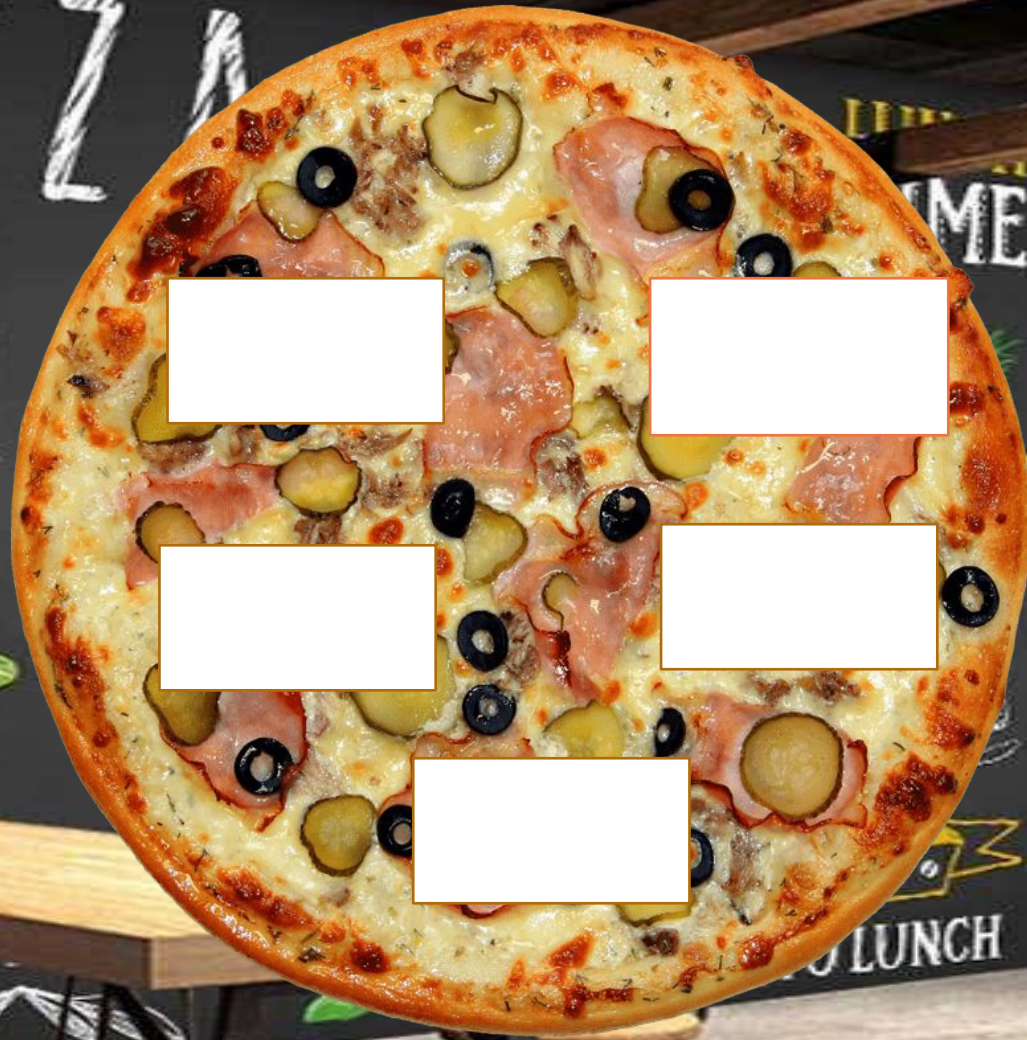

I have already...

I have just...

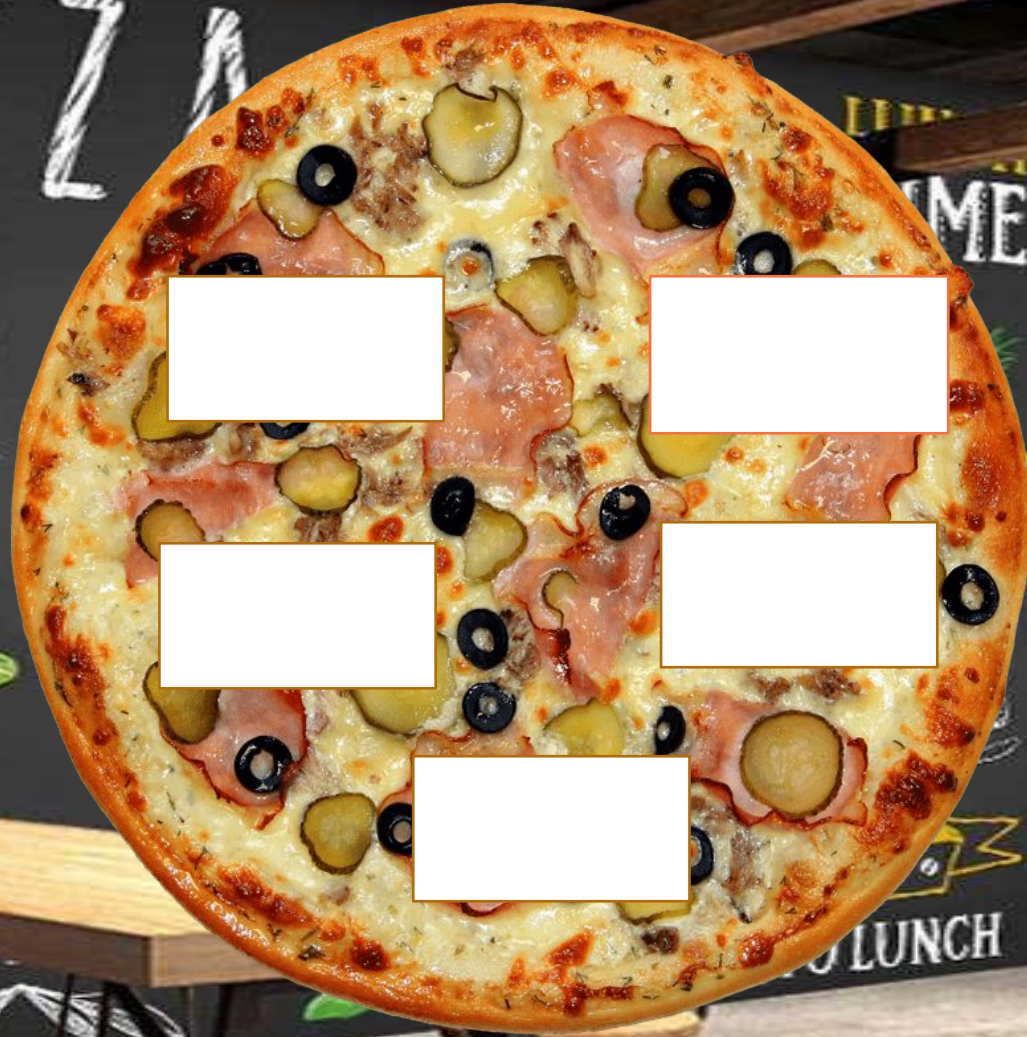

I haven't... yet

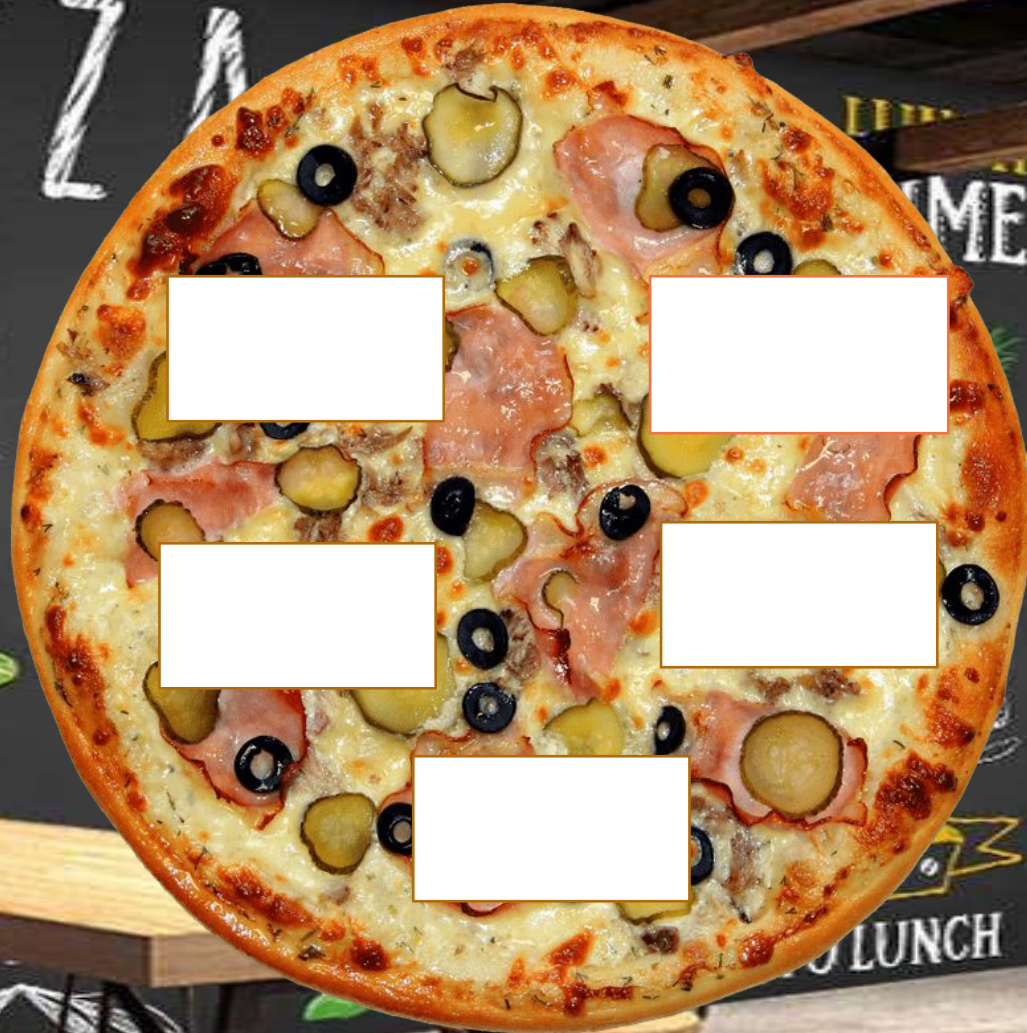

I never...
I rarely...
I sometimes...
I often...
I usually...
I always...

Tomorrow...
Next week...
On Saturday...
In June...
In 2 years...

yesterday ...
last week ...
on my birthday ...
in summer ...
3 years ago

I like...
I don't mind...
I love...
I dislike...
I hate...
