

I have never...

I have always...

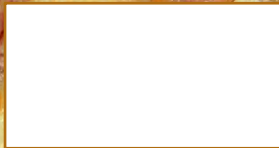

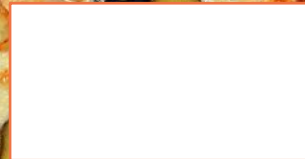

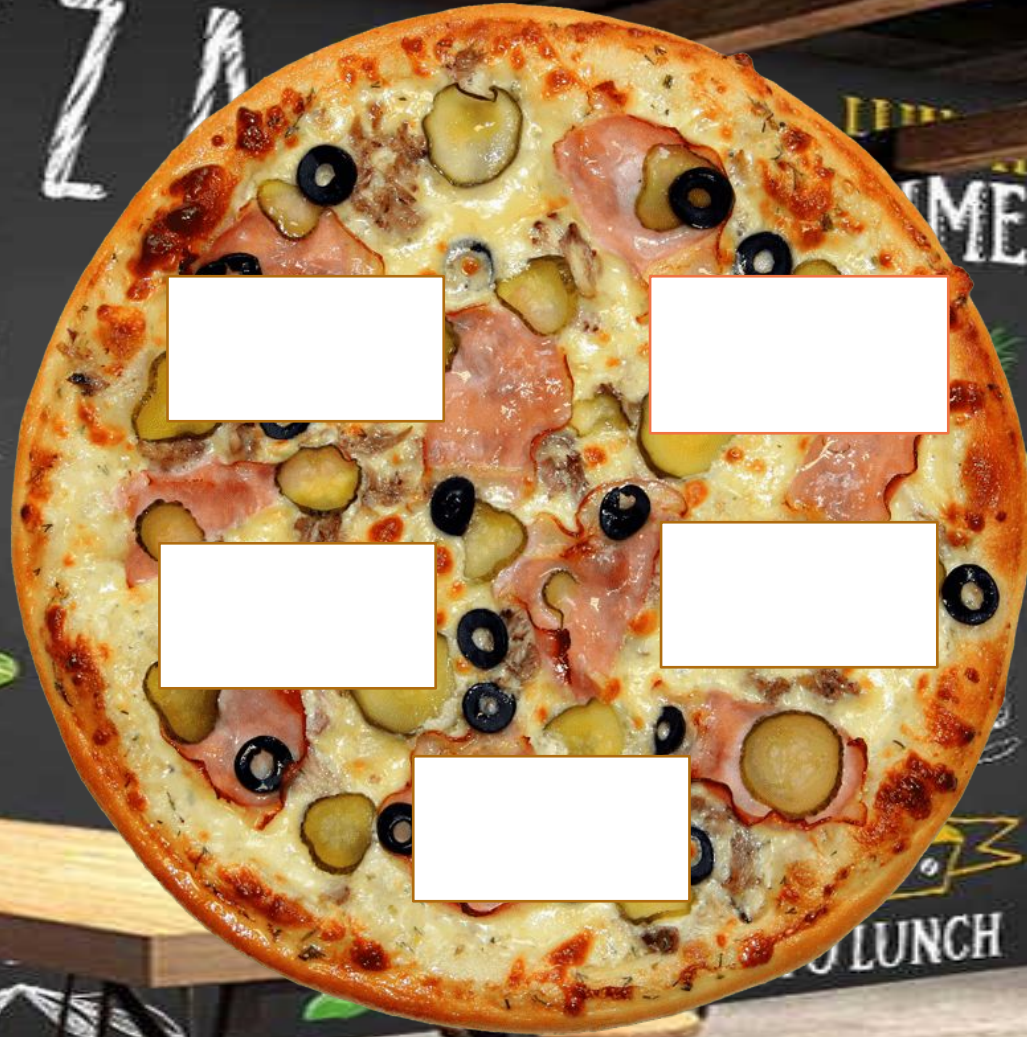

I have already...

I have just...

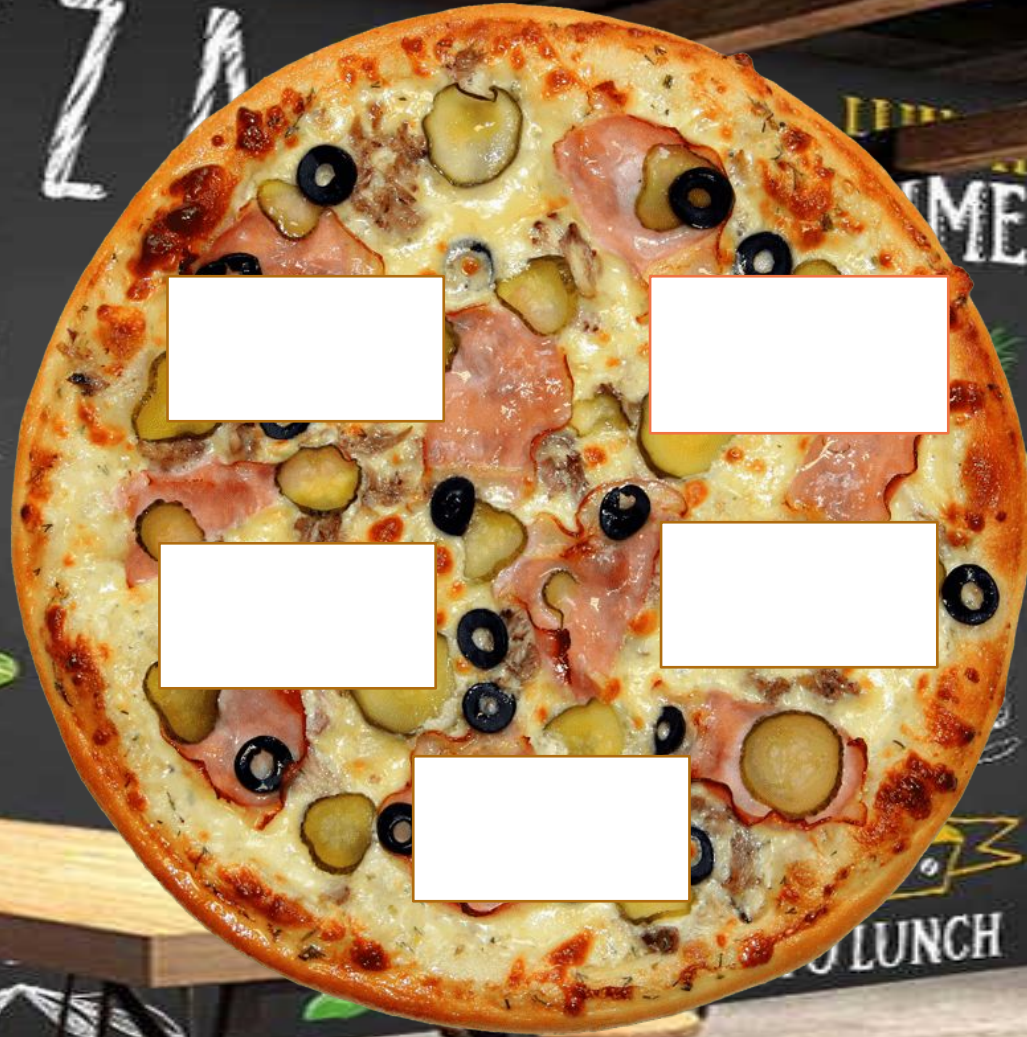

I haven't... yet

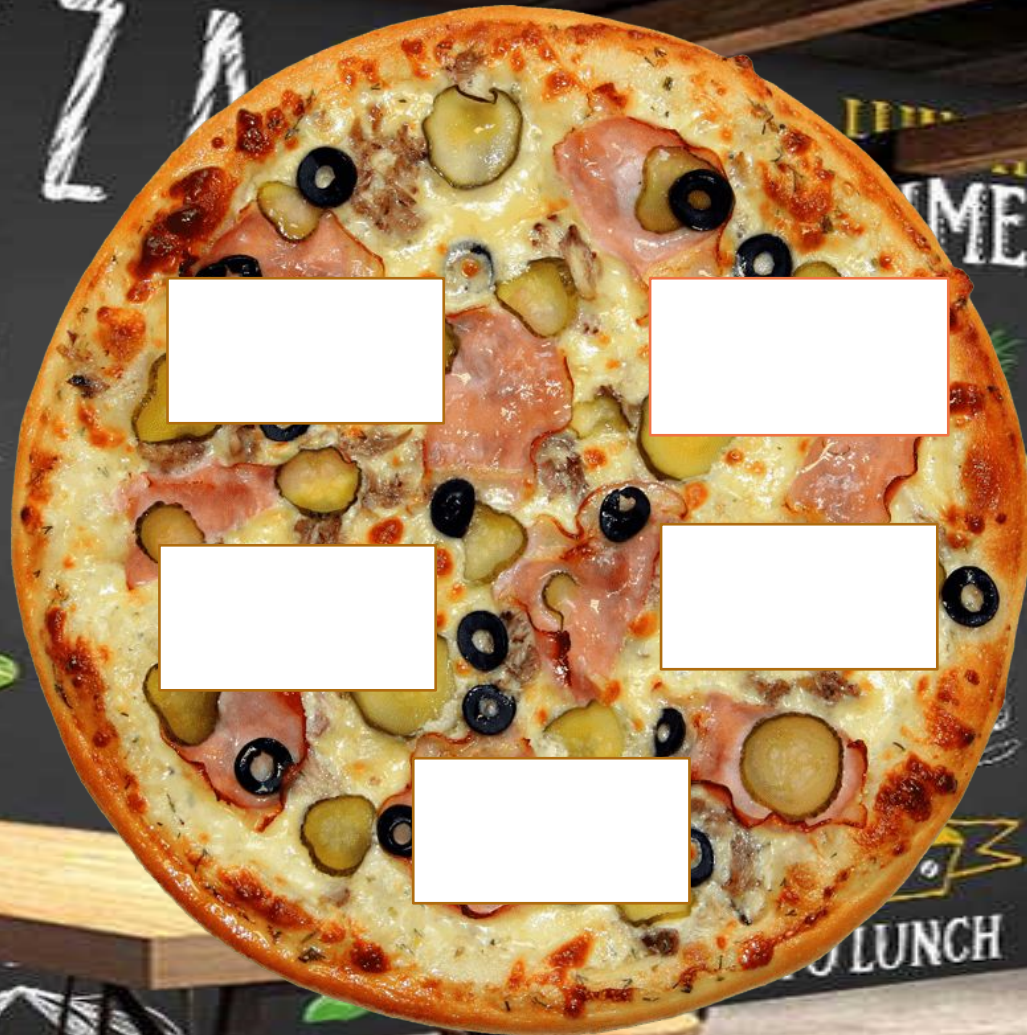

I never...  
I rarely...  
I sometimes...  
I often...  
I usually...  
I always...

Tomorrow...  
Next week...  
On Saturday...  
In June...  
In 2 years...

yesterday ...  
last week ...  
on my birthday ...  
in summer ...  
3 years ago

I like...  
I don't mind...  
I love...  
I dislike...  
I hate...
