START

TICTACTOE

If you could travel in time,
would you prefer to see the
future or the past?

If you had a choice to have no children or to have 10 children, what would you choose?

If you could have any job, what job would you like to have?

If you didn't need sleep, how would you spend your nights?

If you could live 300 years, how
would your life be different?

If you had the choice to get stuck on a desert island alone or with someone you hate, what would you choose?

If you were invisible for a day, what would you do?

If you had superpowers what
would they be?

If you could commit a crime
and get away with it, what
would you choose?
