

# Shopping list

Отработка  
some, any, a, an, have got

Great idea! We need to write a shopping list!

It's mum's birthday today! Let's make a cake!

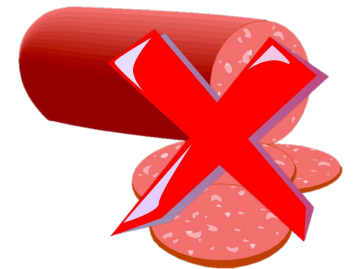

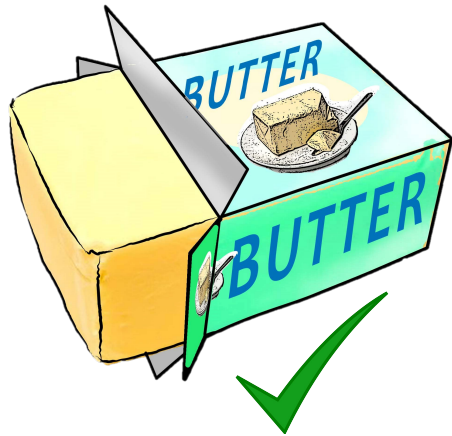

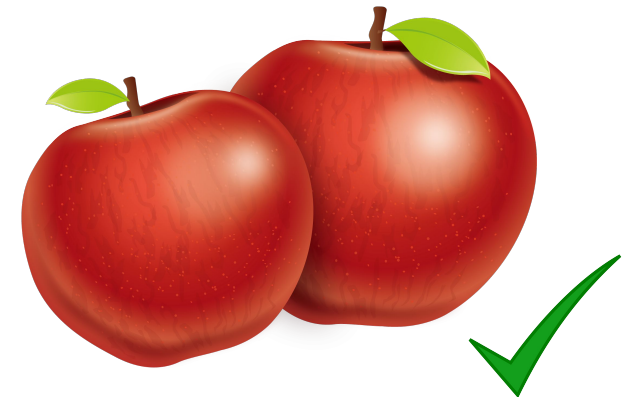

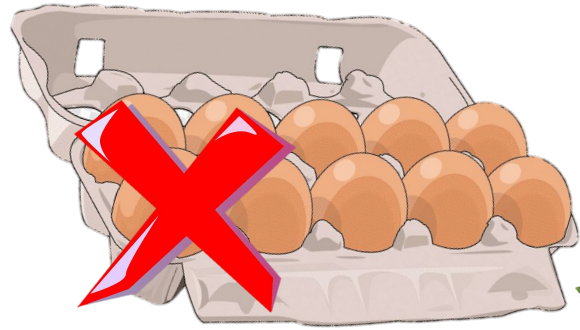

Well, we have got some eggs and bananas, but we need some milk. Also, we have got some cherries and a pear, but we haven't got any apples and butter.

# Shopping list

## What do we need?

Great! Our cake is ready!
