

Honolulu

An aerial photograph of Honolulu, Hawaii. In the foreground, a large, ornate pink hotel complex with blue-tiled roofs is surrounded by lush greenery and palm trees. A sandy beach curves along the coastline, meeting the vibrant turquoise ocean. In the background, the city skyline is visible, including several high-rise buildings, and the iconic Diamond Head mountain rises against a blue sky with scattered white clouds. The word "Honolulu" is overlaid in large, green, outlined letters across the top of the image.

Honolulu

- * Honolulu is the capital and largest city of the state of Hawaii, located on one of the Islands of this ridge – Oahu. Here is the most famous tourist attraction of these Islands – Waikiki beach and the only Royal Palace in the United States.

Brief history

- * King Kamehameha I conquered Oahu and United the Islands into the Kingdom of Hawaii (1810). Soon after, he moved the Royal court from the island of Hawaii to Oahu. In 1845, Kamehameha III officially moved the Kingdom's capital from Lahaina to Honolulu.

Brief history

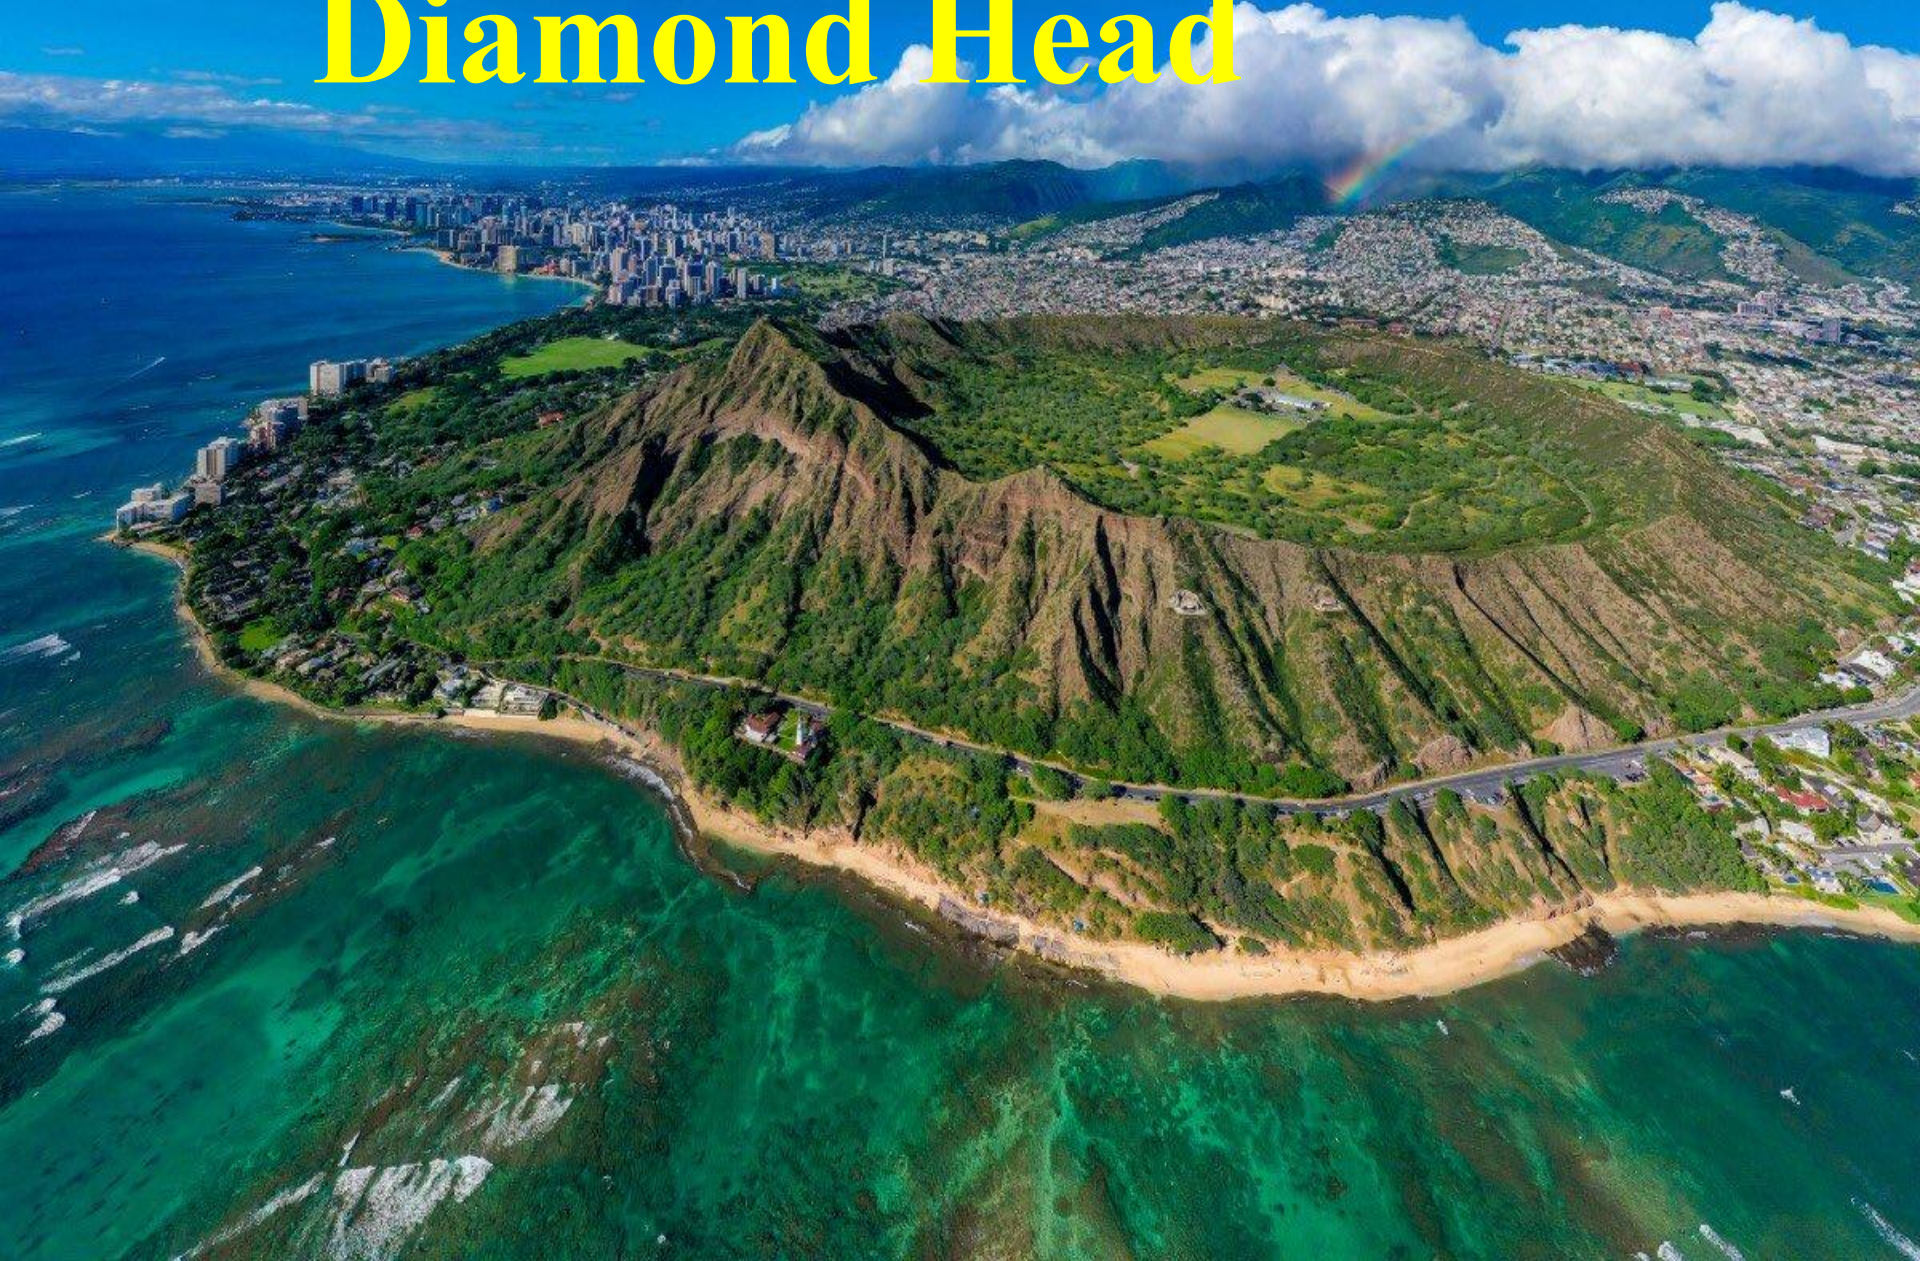

- * The ideally located port of Honolulu has made the city a convenient stop for merchant ships plying between North America and Asia.
- * The overthrow of the monarchy in 1893 by the United States encouraged the development of tourism in Honolulu and the construction
