A black silhouette of a muscular man performing a deadlift. He is standing with his feet shoulder-width apart, holding a barbell with both hands, arms extended upwards. The barbell has large, rectangular weights on each end. The background is white with faint, repeating watermarks of the word "depositphotos" and small camera icons.

Sport is a very important part of
our lives. It helps to become
stronger and be healthier.

Rock climbing seems interesting to me. I've never done it, but I'd like to try it.

Football is one of the most popular varieties, although it does not appeal to me.

Car racing is a very interesting sport for me.

Parkour looks very dangerous. I
wouldn't do that.

Figure skating looks very nice, but I will not do it.

Thanks for watching.
