We want my classmates to recommend the book Harry Potter because it sucks you in with its magic plot.

***We chose Harry Potter
because the books are
really interesting and cool.
And when you read all the
books, Harry Potter will
become a part of you***

Author J. Rowling's books are a wonderful person, she wrote as many as 7 books about our favourite wizard Harry. Now she is 52 years old. Books about Harry Potter are popular to this day
