

# Изображение верблюда

Рассмотри фотографии и рисунки. Найди сходства и различия. Изучи последовательность изображения верблюда. Нарисуй верблюда.

# ВЕРБЛЮД

Горбатый верблюдик в  
пустыне живёт,  
Он важно ступает, колючки  
жуёт.  
Он может подолгу не есть и  
не пить,  
А нам помогает он грузы  
возить.

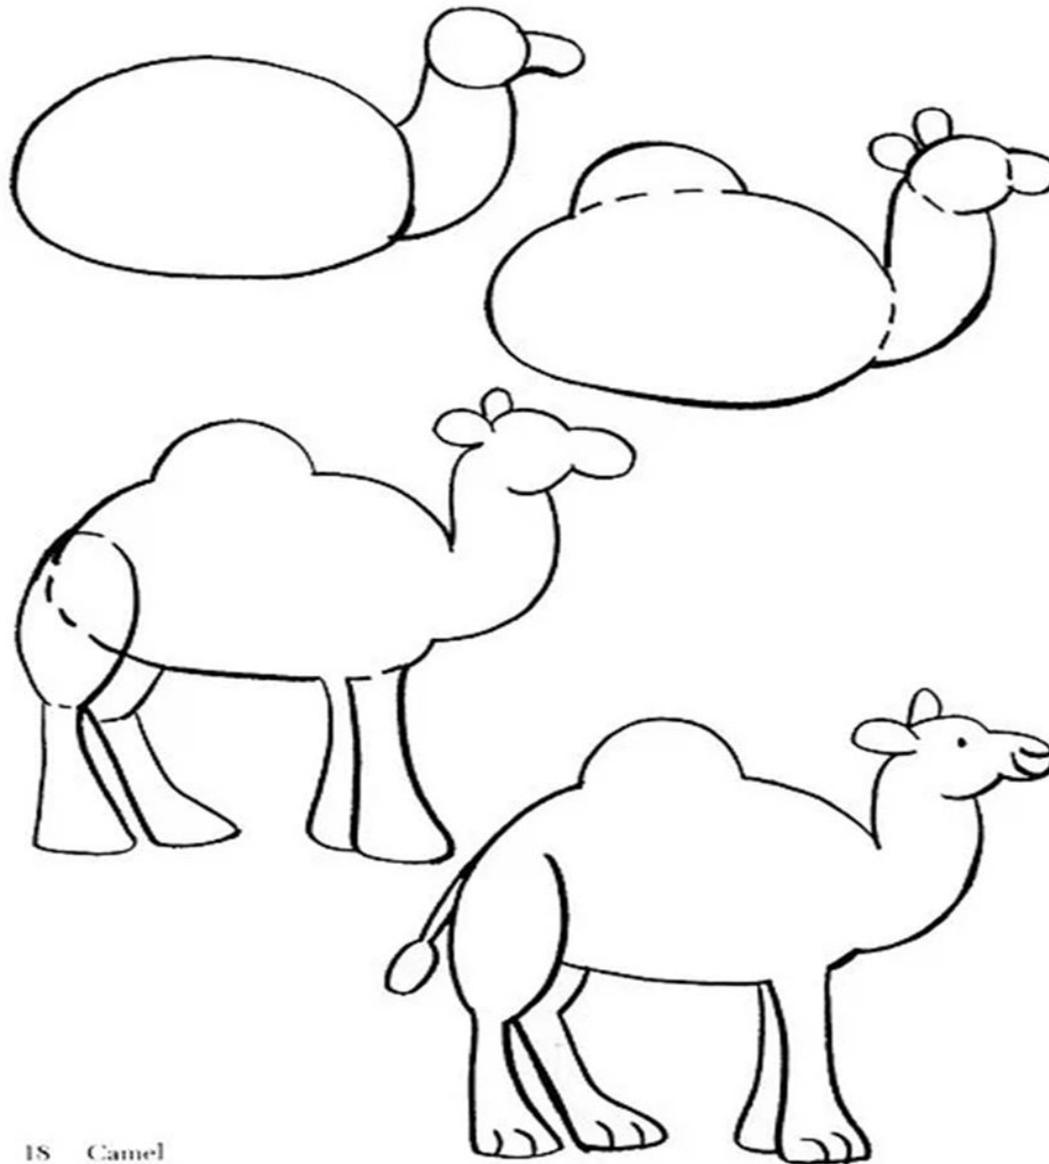

## Изображение слона
