

I've been to India	I'm drinking tea\coffee at the moment	I'm an extrovert	I feel nervous before my exams	I like cooking
Summer is my favorite season	I got up early today	I believe in astrology	I'm eating right now	I prefer cats to dogs
I've always wanted to be a teacher	My eating habits are strange	I hate sushi	I absolutely love pizza.	Teaching is not for me
I'm allergic to nuts	I often watch films in English	I'm never late for classes	I'm an introvert	I speak more than 2 languages
I prefer dogs to cats	I'm sleeping at the moment	I sometimes have nightmares	Lovecraft is my favorite writer	I think online education is great
