

A dark, atmospheric night photograph of the Tower of London. The central focus is the White Tower, its intricate Gothic architecture and multiple spires illuminated against the dark sky. The blue suspension cables of the Tower Bridge are visible in the background. In the foreground, the dark stone walls of the Tower's battlements and a walkway with small lights are visible. The entire image is framed by a large, white, stylized 'L' shape on the left and bottom edges.

TOWER OF LONDON

The Tower of London is a place with an interesting history
