

Compliance: Your Peace of Mind

Global Solutions for Charterers, Ship Owners & Ship Managers.

Bribery Act 2010

ISO Certification

- WaterFront has received ISO 9001: 2015 certification from DNV/GL for the Global Hub activities.

MACN

Maritime Anti-Corruption Network

- WaterFront is a member of the MACN.
- We view membership of the MACN as a vital element in managing and executing our business. Not as a marketing / branding tool.

TRACE Anti-Bribery Compliance

- TRACE: The world's leading anti-bribery standard setting organization.
- WaterFront is TRACE certified.

The UK Bribery Act 2010

- WaterFront uses the UK Bribery Act as a benchmark. We implement strict business-wide policies to deal with bribery and corruption in all jurisdictions.
- We ensure your business is executed locally in compliance with the UK Bribery Act.
- Our stringently vetted Network Partners protect you by mitigating commercial, financial, operational and compliance risk in secluded load and discharge ports.
