Listen and read to find out.

Police, Camera, Action! is a popular TV series of real-life police videos. It is part-documentary and part-

reality show. The cameras in the programme are from hand-held cameras, police cars, helicopters, and sometimes from hand-held cameras, too. It shows road crime and bad driving. The suspect doesn't injure any pedestrians. The suspect goes under a bridge. The police go over the level crossing to cut him off at the end of the tunnel.

1. The programme features real police officers.

true

2. The video footage is from cameras in police cars, helicopters, and sometimes from hand-held cameras, too.

false

3. It shows road crime and bad driving.

false

4. The suspect doesn't injure any pedestrians.

true

5. The suspect goes under a bridge.

true

6. The police go over the level crossing to cut him off at the end of the tunnel.

false

"As we join the scene from the air, the 'eye-in-the-sky' can see the suspect is driving his motorbike very fast through

the road. ... there ... people ... traffic ... him now! He's going ... ne is on the ... where is he? There ... der the bridge just as ... t missed ... toward the tunnel. The officers on the ground are speeding over the level crossing to cut him off at the end of the tunnel. This is so exciting! Yes! It's all over. They got him!"

So next time you're channel hopping, make sure you catch an episode – you'll be glad you did!
