

Christmas Eve Recipes

This is a printable presentation
in A4 vertical format

Contents of this template

Here's what you'll find in this **Slidesgo** template:

1. A slide structure based on a multi-purpose presentation, which you can easily adapt to your needs. For more info on how to edit the template, please visit **Slidesgo School** or read our **FAQs**.
2. An assortment of graphic resources that are suitable for use in the presentation can be found in the **alternative resources slide**.
3. A **thanks slide**, which you must keep so that proper credits for our design are given.
4. A **resources slide**, where you'll find links to all the elements used in the template.
5. **Instructions for use**.
6. Final slides with:
 - The **fonts and colors** used in the template.
 - A **selection of illustrations**. You can also customize and animate them as you wish with the online editor. Visit **Storyset** to find more.
 - More **infographic resources**, whose size and color can be edited.
 - **Sets of customizable icons** of the following themes: general, business, avatar, creative process, education, help & support, medical, nature, performing arts, SEO & marketing, and teamwork.

You must not delete this slide if you want to print it. Please, read the **Print instructions** slide for more information. However, you can **erase or change this text**.

*Venus has a beautiful name and is the second planet.
It's terribly hot, even hotter than Mercury*

Jupiter

Jupiter is a gas giant and the biggest planet in the Solar System. It's the fourth-brightest object

Mercury

Mercury the smallest one in the Solar System. This planet's name has nothing to do with the liquid metal

Saturn

Saturn is a huge gas giant and the sixth planet from the Sun. It is composed of hydrogen and helium

Mars

Despite being red, Mars is a cold place. It's full of iron oxide dust, which gives the planet its reddish cast

Print instructions

Important note: Before saving your file, remove all extra slides, including the Instructions for use. Keep the “Contents of this template” slide, but remove (or modify) its contents. Also, if you need to staple it as a book, these pages should be multiples of 4: 16, 20, 24, 28... so that they fit later.

For closed and stapled A5 version

1. Download the file in PDF
2. Open your file with your PDF viewer (preferably Adobe Acrobat)
3. File > Print
4. In page size and administration, click on Brochure:
 - Booklet Subset: Both Sides
 - Sheets: Leave settings as they are
 - Binding: Left
1. The file is ready for printing

If you want a bigger stapled book (closed A4) you can print the slides in A3 in the same way that we explained before

For regular A4 version

- Delete all the slides after the “Thanks” slide
- Modify them and add text if needed
- Click File > Download > PDF Document
- It will be downloaded to your computer. Now you can print the slides or use them elsewhere
- Don't forget to configure your PDF Viewer to print on both sides. This way you can bind your A4 version on both sides

Mockup

Delete this page when you are done

Alternative resources

Here's an assortment of alternative resources
whose style fits that of this template
