The screenshot shows the MSN website interface within a browser window. The browser's address bar displays "http://www.msn.com" and the MSN logo. The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The MSN website header features navigation links for "Hotmail", "Messenger", "My MSN", and "Bing". On the right side of the header, there are links for "Make MSN my homepage", "Welcome to MSN", "Page Options", and "Sign in". The MSN logo is prominently displayed on the left, and a search bar with the "bing" logo and "Web Search" button is on the right. Below the header is a blue navigation bar with categories: "NEWS", "ENTERTAINMENT", "SPORTS", "MONEY", "LIFESTYLE", "LOCAL", "AUTOS", "MASTERS", and "MORE". Underneath this bar are sub-links for "news", "leaderboard", "photos", and "video analysis". The main content area shows the date "Thursday, April 7, 2011" and the location "New York, NY" with weather information "53°/39° °F °C" and a "5-day 10-day" forecast link. The primary article is titled "Are You Saving Enough to Retire?" and includes a sub-headline "Many people aren't. Calculate how long your savings will last at retirement with our easy-to-use tool." Below the article title are three bullet points: "The hidden costs of retirement", "8 last-minute ways to stretch your nest egg", and "Avoid these five common financial mistakes". To the left of the article is a photo of a man and a woman reviewing documents. Below the photo are navigation controls and a "3 of 5" indicator. At the bottom left, there is a section for "EDITORS' PICKS". On the right side of the page, there is a video player for an Old Spice advertisement. The video player includes a play button, a "Click for Sound" button, and a progress bar. Below the video player are links for "AdChoices" and "Ad Feedback". At the bottom right, there is a promotional banner for "Upgrade to the faster Internet Explorer 9 - FREE". The browser's status bar at the bottom shows "100%" zoom level.

Present Simple Passive

В английском языке существует два типа залога: активный (Active Voice) и пассивный (Passive Voice). В активном залоге подлежащее обозначает лицо или предмет, которое совершает действие, а глагол употребляется в форме действительного залога. В пассивном (страдательном) залоге действие направлено на лицо, выраженное подлежащим.

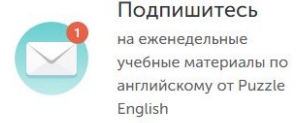

She reads a book. – Она читает книгу (активный залог).
The book is read. – Книгу читают (пассивный залог).

Пассивный (страдательный) залог в простом настоящем времени (Present Simple) образуется с помощью глагола to be + III форма основного глагола. Ниже представлена таблица образования Present Simple Active and Passive :

Present Simple Active	Present Simple Passive	Пример употребления
ask/asks	am is asked are	Mike asks a lot of questions about the book. – Майк задает много вопросов о книге. A lot of questions are asked about the book. – Много вопросов задают о книге.

Пассив с модальными глаголами образуется следующим образом:

- can

 - must be done
 - should
