Access Models

Inspiring research
and emerging trends
made accessible

NEW - eBook Select Pick & Choose

eBook Select is our flexible access model allowing you permanent access to all titles chosen from our extensive catalogue, include those published from this year's frontlist.

Choose bundles of 25, 50, 75, 100, 150 or 200 titles to suit your faculty and library needs and budget.

Apart from complete flexibility in what you choose, you get perpetual access to every eBook – so they are in your library forever.

Benefit from multi-user access across your whole organization or institution, with no download restrictions or embargoes.

You can also place multiple eBook Select order across the course of the year with no limitation.

New - Evidence Based eBook Select (EBA)

The Model

Gain DRM free, multiple concurrent user access to all Emerald frontlist and backlist titles across all subject areas for 12 Months.

At the end of the 12 month evidence period, choose the 50, 75, 100, 150 or 200 eBooks that you wish to own in perpetuity (with AIP)

The Benefits of EBA

Gain 12 Months access to all Emerald eBooks including frontlist titles.

Ensure you purchase the books that provide the most value to your institution by evaluating our content.

Select the eBooks you own in perpetuity based on usage evidence.

We will provide usage reports to help you make your choices.

eBook Portfolios – Business, Management & Economics

Our Business, Management & Economics Portfolio's subject coverage is vast! It includes series, serial and individual eBook titles, with content ranging from accounting and economic theory, strategy, marketing, tourism and communications to public policy, leadership and library management.

Content is divided between seven different Individual subject collections:

eBook Portfolios – Social Sciences

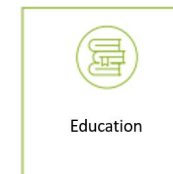

Our Social Sciences Portfolio houses a diverse collection of titles across education and sociology. From education administration, inclusivity and technology in learning to criminology, social media and cultural diversity, these titles cover both research and theory as well as offer practice guidance, encourage debate and question the society in which we live.

Content is divided between two different Individual subject collections:

Sociology

Education

Subject Collections

The 9 Subject Collections offer eBooks on a vast array of topics which are growing year on year. Books from leading practitioners complement research texts while a growing range present insights which have real-world relevance and impact.

Topical coverage includes the following and More!

- Political sociology
- Race & ethnic studies
- Special/gifted education
- Technology in learning
- Accounting & Finance
- Human Resources
- Marketing
- Public Relations
- Social Care
- Research Methodology
- Library Studies
- Strategy
- Knowledge Management
- Public Policy
- Tourism
- Economics
- Logistics
- Hospitality Management
- Communication
- Criminology
- Cultural studies
- Education administration
- Gender studies
- Higher education
- Medical sociology
- Mental health
- Policy & social change

Portfolio Purchase Options

Purchase

What are our purchase options?

One payment provides permanent access to 'slices' of portfolio content:

FRONTLIST

Frontlist titles are new releases in the current year – this options means you can access cutting edge research and thought leadership hot off the 'digital' press.

RECENT BACKLIST

This slice includes titles published over the past five years, from 2016 to 2020.

FULL BACKLIST

This slice is the complete back catalogue for each portfolio – with this option you can access everything apart from the current Frontlist titles from each portfolio.

SUBJECT COLLECTIONS

With portfolios split into predefined collections you can access titles by specific topics – speak to us for more details.

Portfolio Subscription Options

Subscribe

What are our subscription options?
eBook subscriptions give you access to every eBook published in a portfolio on a rental basis

WHAT ARE THE BENEFITS?

- Great value option to access a wide range of titles
- While it's not perpetual, you will be able to access all content for as long as you subscribe
- You'll benefit from all multi-user access and platform benefits you expect from Emerald
- This options includes frontlist titles, so you'll be able to access brand new eBooks as soon as they're released throughout the year
