Please make cheques payable to Papworth Hospital Charity

- Cardiac and respiratory diseases are the two biggest killers in the UK today
- Every year, a quarter of a million people have a heart attack. That's one person every two minutes
- 11 people die every hour from lung disease and one person in seven is affected by it.

Making a donation to Papworth Hospital Charity means making a difference to people's lives. You are helping to keep Papworth at the forefront of treating heart and lung disease and to find new cures for these life changing illnesses - not just for now but for generations to come.

Please complete the form today and because of you we can continue to make a difference
