

# AT THE BOTTOM OF THE SEA

*By Artem Morozov*

**START**

It can be red or green. You can see it on the farm. It grows on trees. It's very tasty.

An apple!

It's big and sweet. We usually eat it and drink tea when we have birthdays.

A cake!

They are yellow. They are made from potatoes. You can eat them with a burger.

Chips!

It's brown and black. It's very sweet. It's made from cocoa. We drink tea and it this.

Chocolate!

You can make it from fruit and vegetables.  
You can drink it. It's very tasty!

Juice!

It's yellow and sour. You can put it into  
your tea. It's high in Vitamin C.

Lemon!

It's white and tasty. It is from cows. You can eat biscuits and drink it.

Milk!

It grows in Asia. It's white. People make sushi from it. You can eat this with fish.

Rice!

It's yellow. It's made from milk. You can  
make a sandwich with it. Mice like it.

Cheese!

Good job!
