

PetroBowl® - это студенческая игра по нефтегазовой тематике, организуемая SPE. Она проходит в два этапа:

Отборочный этап

All SPE Chapters need to participate in their regional qualifier

Чемпионат

Championship takes place each year at SPE Annual Technical Conference and Exhibition (ATCE)

5-7 October, 2020

Denver, Colorado, USA

Europe

Europe contest

10-12 April, 2019

East meets West Congress

Cracow, Poland

Russia and Caspian contest

19 April, 2019

Annual Caspian Petrocongress

Satbayev University,

Almaty, Kazakhstan

SATBAYEV UNIVERSITY

ANNUAL CASPIAN PETROCONGRESS

Almaty Section

KazPetro DRILLING

PETROBOWL 2019

Russian and Caspian Regional Qualifier

PETROBOWL

The 1st and 2nd place winning teams will represent the region in the Petrobowl Championship in ATCE, September 30, 2019 in Calgary, Canada

Almaty, Kazakhstan 19 April 2019

Questions

Note that Calculations may only be used as Bonus Questions!

Type	Category
Technical	Drilling & Completions
	Reservoir & Formation Evaluation
	Production & Facilities
	Geology
	General Engineering
	Calculation
	Other

Type	Category
Non-Technical	History
	People
	Statistics
	Current Events
	Geopolitics
	SPE/PetroBowl
	Trivia
	Calculation
	Other

Difficulty
Low
Medium
High

Sample Questions Petrobowl Questions, 2017

1. Who is the CEO of Chesapeake Energy?
Answer. Aubrey McClendon
2. What are 5 assumptions behind Darcy flow?
Answer. $Re < 1$, Newtonian, No-slip boundary conditions, single phase flow, no chemical interaction between rock and fluid
3. Who is the CEO of Chevron?
Answer. John Watson
4. Which oil company has the highest oil production?
Answer. Saudi Aramco
5. Top 5 oil producing companies
Answer. Saudi Aramco, Gazprom, National Iranian Oil Company, ExxonMobil, PetroChina
6. List current total world oil reserves
Answer. 1.652 trillion barrels
7. Founder and CEO of Hilcorp
Answer. Jeff Hildebrand
8. What is the formula for effective porosity?
Answer. $\text{Volume}(\text{interconnected}) / \text{Volume}(\text{total})$
9. Which country has the largest amount of natural gas reserves?
Answer. Russia
10. Top 5 oil producing countries
Answer. Russia, Saudi, US, Iran, and China
