

Guess the topic 😊))

# Communication and technology

## Lesson 1

**Nazarbayev Intellectual school PhM  
Kokshetau  
Teacher: Zabornik L.S.**

## Lesson objectives

Students will be able to

- ask and answer personal questions with some support;
- use some topic vocabulary to create 5-6 sentence;
- explain the usage of applying the technology items with the help of some tips, using possessive and reflexive pronouns.

## Listening task

1. Watch a video about communication technologies.
2. Write down top five tech gifts for students you hear.

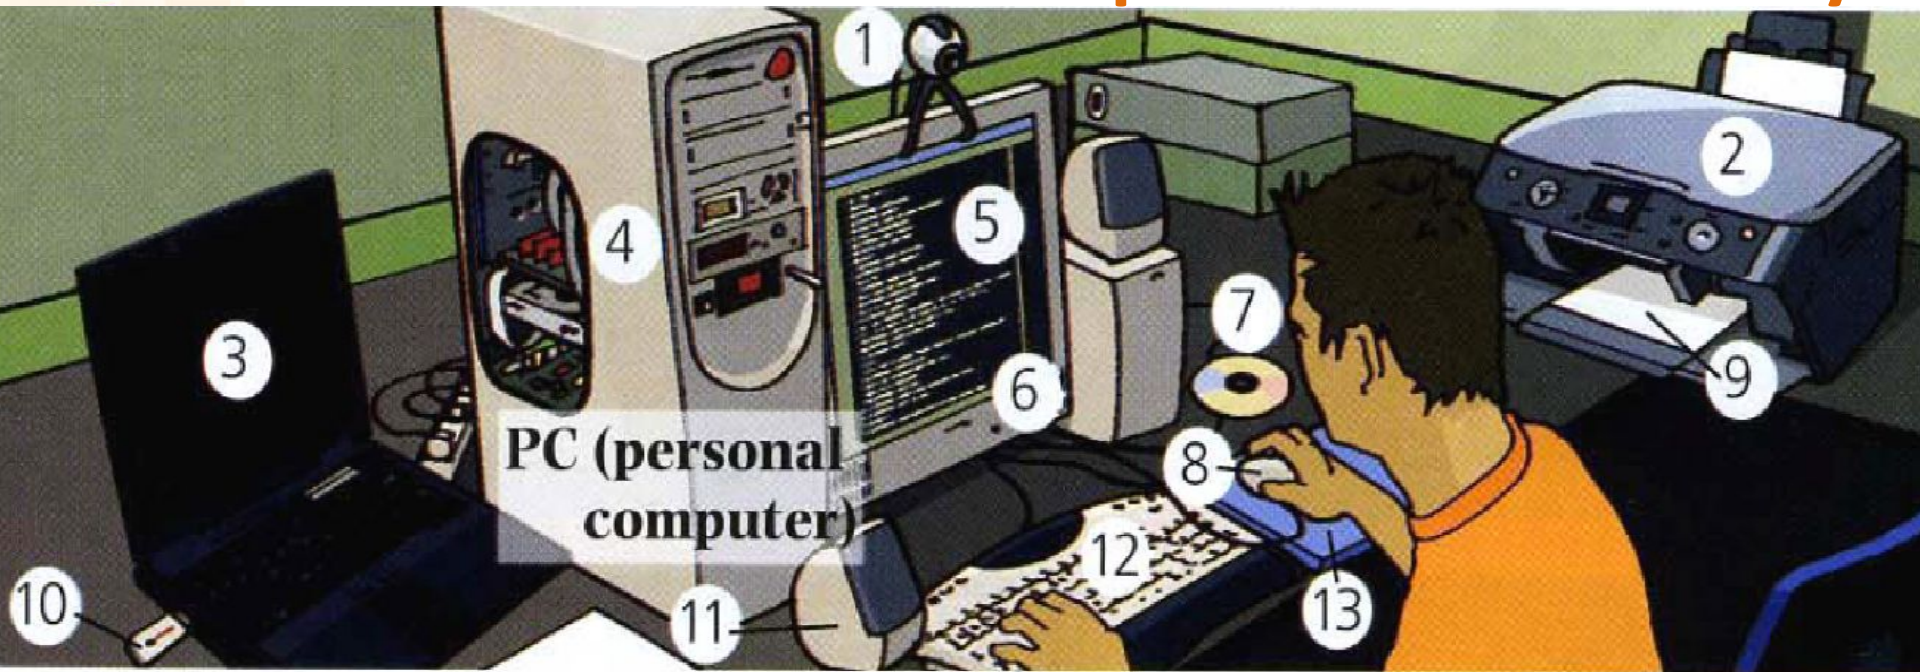

## Speaking task

### Answer these questions:

- Why has the author of this video decided to shoot it?
- What are the top five back-to-school tech gifts in our country? Make a list of the five items.
- Is it a good idea to use all these tech for studying at school? Why? Why not?
- Would you like any of these back-to-school tech gifts? Which ones? Why?

- [Create new account](#)
- [Request new password](#)

Log in

Access denied

You are not authorized to access this page.

## To browse websites

Example: Several popular websites allow users to browse their materials.

## To download music

### Example:

To download music you do not need to pass additional registration on their sites.

Check sentences of your  
neighbour

## Reflection

**Open your reflective journals and answer the questions**

I think the lesson was productive, because I was able to.....

What I could not do before, and now I do not have any difficulties?

What technology items have you learnt ?
