ИГРА «ХВАТАЙ КОНФЕТКУ»

Развиваем фонематический слух.

К сладостям очень сложно быть равнодушным. Надеемся, всем понравится игра. Не переживайте, родители, нам не страшен кариес, поэтому без опасения за свои зубки хватай как можно больше конфет.

Цель: развивать фонематический слух.

Описание игры.

Количество участников 2-4.

Задача участников-собрать как можно больше конфет.

Взрослый кладёт конфетку на стол и называет картинку, которая на ней напечатана, если в названии картинки слышится заданный звук дети хватают конфетку, после игры подсчитывается количество конфет. Выигрывает тот, кто нахватал больше всех конфет.

Желаю удачи!
