

make

are making

**We always _____ a tree house in the
village.**

make

are making

We _____ a tree house now.

The background is a white brick wall. At the top, three spotlights are mounted on a track, casting light on the wall. Two of these spotlights are focused on two white rectangular boxes containing the words 'work' and 'are working'. In the lower part of the image, there is a large black text prompt 'We _____ together now.' and a shadow of a window grid is cast on the floor in the bottom left corner.

work

are working

We _____ together now.

work

are working

**We always _____ together in the
garden.**

have

are having

We _____ an English lesson now.

have

are having

**We always _____ an English lesson
on Monday.**

The background is a white brick wall with three spotlights mounted on a track at the top. The spotlights are directed downwards, creating three distinct circular pools of light on the wall. The first pool is on the left, the second is in the center, and the third is on the right. The text 'do' is centered within the first pool, and 'are doing' is centered within the third pool. The main sentence is centered on the wall, with a blank space for a verb.

do

are doing

**We always _____ our homework
after school.**

do

are doing

We _____ our homework now.

are looking

look

**We always _____ for mushrooms in
the forest in autumn.**

The background is a white brick wall with three spotlights mounted at the top. The spotlights are illuminated, casting a warm glow on the wall. The text 'are looking' is written in a white box on the left, and 'look' is written in a white box on the right. The main sentence 'We _____ for mushrooms in the forest now.' is centered on the wall.

are looking
