

BUDDHISM

Dolgopolova Irina

361

There are more than 4200 religions in the world.

Everyone is free to adopt any religion.

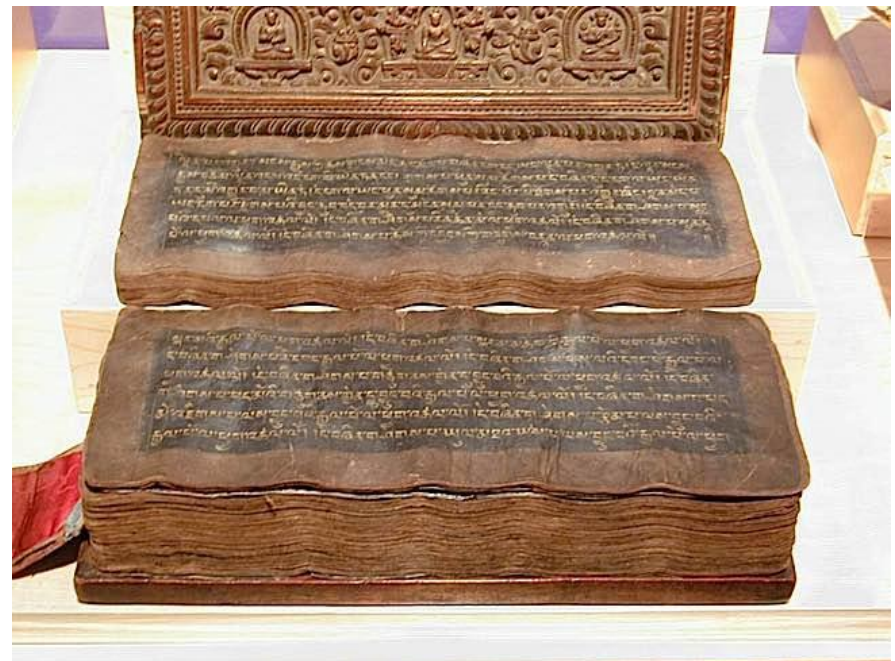

Siddhartha Gautama (“The Buddha”)

Buddhists do not worship gods, that's because Buddha himself was against idol worship.

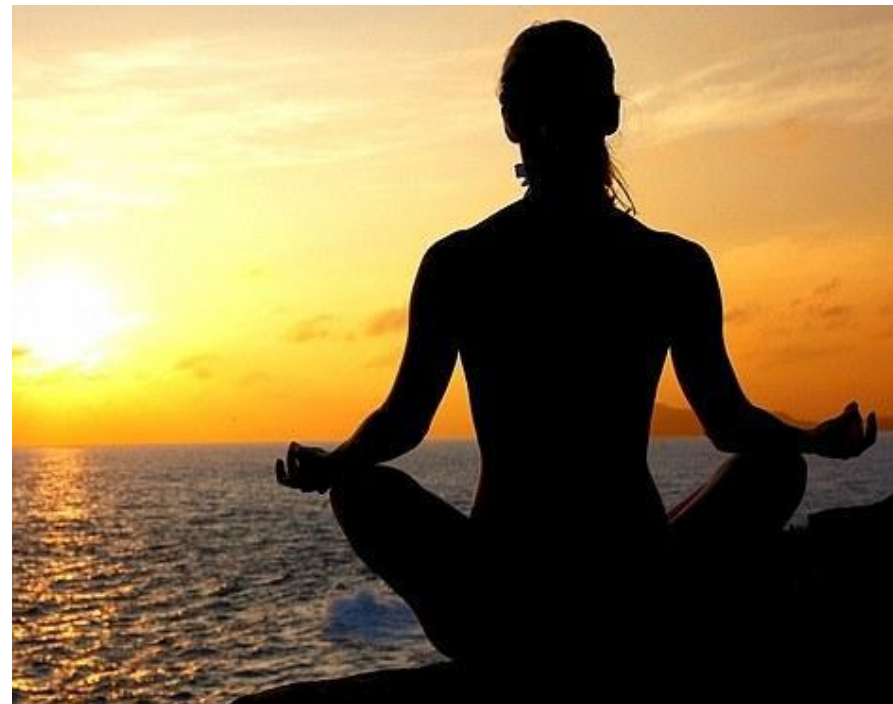

Holy texts

- **Tripitak** - the earliest collection of Buddhist writings;
- **Sutras** - sacred teachings;
- **The Book of the Dead** - Tibetan text describes the stages of death in detail.

Buddhism words

- **Daimoku** – means a many times repeatedly pronouncing of one buddhists' prayer, which praises sutra and helps the man to get to the nirvana.
- **Nirvana** – a state of being free from suffering and the cycle of rebirth.
- **Karma** – the universe's reactions to your actions.

Thank you for your attention!
