Has an estate agent ever shown you around a house?

Estate agent So, this is the house ... As I say, it's conveniently located near to the shops. And there are lots of good restaurants and bars nearby.

Woman So it's quite noisy, then?

EA Lively, I'd say. We're in a very popular area of the town.

W The road's quite busy.

EA Well, yes, it can get busy. There are lots of buses that will take you right to the town centre. Here's one now, in fact!

W Oh, it's stopping right outside the front gate. There's a bus stop here!

EA Yes! What could be more convenient? Shall we go in? So this is the hall. And on the right is the living room. Cosy, isn't it?

W Hmm. It's certainly small, and a bit dark.

EA And through here is the kitchen.

W It's tiny.

EA It certainly isn't spacious, but I wouldn't say it's cramped. The cooker and fridge are new. And it looks out onto the back garden.

W Oh, yes. The owner isn't keen on gardening, then.

EA No, I suppose not!

W And the back fence is very dilapidated. It looks like it could fall down at any moment!

EA Yes, it might possibly need a bit of work ... Moving on upstairs ... This is the main bedroom. There's a charming view from the window.

W I can see right into the bus station.

EA Yes, er, I mean above that. You can see right across the town ... So, what do you think of the house?

W Hmm. I'm not sure.

EA It could be beautifully restored.

Match sentences a–e with speakers 1–4. There is one extra sentence.

This home:

- a is not as modern
- b did not cost a lot
- c is very dilapidated
- d has got wonderful views
- e is in a remote area

- 1 I live in a block of flats on the outskirts of Prague. The flat is quite small but it's very bright and airy.
- 2 We live in a terraced house in Boston. We've been living here for about a month now. It's a lovely house, quite old. My parents bought it from an old lady who lived here for 40 years. During that time she didn't really modernise it. It's in good condition but the décor is very old-fashioned. My parents want to create a much more contemporary look and are going to spend quite a bit of money on it until they've got it how they want it. They also need to insulate the roof so we don't waste any energy. I think they're going to start in the next month or two.
- 3 I live in a small house in the countryside. It's very quiet and peaceful. The views are fantastic and the house is very comfortable. It's a bit of a drive to the city but it's not a bad place to live, but I miss the excitement of city life.
- 4 I live in a small house in the city. It's very convenient and there's everything you need nearby. The house is quite nice but it's a bit of a drive to the city.

not a bad place to live, but I miss the excitement of city life.
near the centre, but were still in the city.
